(1) Without prejudice to the provisions of Article 16(3) the allotment of Participating Shares shall (unless the Directors otherwise agree) be made on condition that (unless settlement has already been effected) the applicant shall effect settlement within such period and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions and in the manner required by the Directors and that in the event of late settlement the applicant may be required to compensate the Company for the amount of any loss arising as a result thereof (as conclusively determined by the Directors) and in the event of the applicant failing to make settlement within three Business Days of the allotment, such (provisional) allotment may be cancelled absolutely and the application refused or alternatively the application may be treated as an application for such number of Participating Shares as may be purchased or subscribed for with such payment as has been made.
- (2) The Company may (at the option of the Directors) satisfy any application for the allotment of Participating Shares by procuring the transfer to the applicant of fully-paid Participating Shares at a price per share equivalent to the relevant Price per share as determined hereunder. In any such case, references in these Articles to allotting Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.
- (3) The terms on which and the price per Participating Share at which the first allotment of Participating Shares of any class (other than to the subscribers of the Memorandum of Association) shall be effected and the time of such issue shall be determined by the Directors.
- (4) Any subsequent allotment of Participating Shares of any class shall be made on any Dealing Day at the Price per Participating Share of the relevant class. The Price will be calculated by:-
- (a) ascertaining the Net Asset Value of the Fund to which the Participating Shares or, if relevant, that portion of the Fund to which Participating Shares of a particular type are attributable in either case;
 - (b) dividing the aggregate of the amount calculated under (a) above by the number of Participating Shares of the relevant class then in issue; and
 - (c) rounding the resulting amount mathematically to two decimal places.
- (5) The Directors may in their absolute discretion, require any persons to whom any class of Participating Shares are to be allotted to pay to the Company or to any duly authorised agent of the Company for its absolute use and benefit, transaction charges at a rate to be determined by the Directors by reference to the aggregate amount subscribed but not exceeding, in aggregate, an amount equal to 6% of the amount subscribed. The Directors may differentiate between any applicants and between classes of Participating Shares (and types of Shares within that class) as to the amount of such transaction charges within the permitted limit.
- (6) Where there are net subscriptions on any Dealing Day, the Directors may also require any persons to whom Participating Shares are to be allotted to pay to the Company such sum as the Directors may consider appropriate to protect the interests of all Shareholders against the dilution in value of the relevant Fund on account of the costs associated with the acquisition of assets;

- (7) If the Directors and the Depositary shall be satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to existing Shareholders, the Directors may in their absolute discretion allot Participating Shares on terms providing for settlement to be made by the vesting in the Depositary on behalf of the Company of any securities, bonds or other assets of whatsoever nature and wheresoever situate that may be acquired by the Company in conformity with the UCITS Rules and the investment policy of the Company as determined from time to time by the Directors, and in connection therewith the following provisions shall apply:
- (a) for the avoidance of doubt, in determining the number of Participating Shares to be issued in exchange for the vesting in the Depositary on behalf of the Company of securities, bonds or other assets, the Price for such Participating Shares shall be determined in accordance with Article 16(4);
 - (b) the number of Participating Shares to be allotted shall be not more than that number which would have fallen to be allotted for settlement in cash against the payment of a sum equal to the value at the Valuation Point for the relevant Dealing Day of the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the Company as determined by the Directors in accordance with paragraph (d) below;
 - (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the securities, bonds or other assets in the Depositary on behalf of the Company shall be paid by the Company or by the person to whom the Participating Shares are to be allotted or partly by the Company and partly by such person;
 - (d) the value of the securities, bonds or other assets to be vested in the Depositary on behalf of the Company shall be determined by the Directors on the same basis as that provided for in Article 49 hereof; and
 - (e) the Directors may require that the person to whom the Participating Shares are to be allotted shall warrant to the Company that the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the Company are the absolute beneficial property of that person and are not the subject of any assignment, charge, lien, encumbrance, equity, licence, user or other agreement, right or claim whatsoever and all of the same are valid, subsisting and not subject to revocation or cancellation. The Directors shall further require that person to deliver to the Depositary or its nominee, bonds or other assets title to which is capable of transfer by delivery and otherwise to execute such documents and take such other steps (or procure the necessary parties to do so) as shall be required by the Directors for vesting the securities, bonds or other assets in the Depositary on behalf of the Company. Such securities, bonds or other assets so accepted must be consistent with the investment objective and policy of the relevant Fund.
- (8) The following provisions shall apply in connection with the issue of Participating Shares pursuant to Article 16(4) - (7):
- (a) no Participating Shares shall be allotted on a Dealing Day (except those for which applications had been previously received and accepted by the Company) during any periods when the issue or the redemption of Participating Shares is suspended pursuant to Article 63 hereof. Unless withdrawn prior to the expiry of the period of suspension referred to in the preceding sentence, applications will be considered on the Dealing Day

immediately following the day on which such suspension is lifted. Any such withdrawal shall be made in writing and shall not be effective until it has actually been received by the Company (or its authorised agent);

- (b) the Directors may issue Participating Shares on terms that the person to whom they are issued shall bear any Duties and Charges which may be incurred outside Ireland;
- (c) where any subscription moneys are not an exact multiple of the Price per Participating Share of the class applied for a fraction of a Participating Share may be issued at the discretion of the Directors up to three decimal places;
- (d) the Directors shall have power to impose such restrictions as they may think necessary for the purpose of ensuring that save as permitted by any relevant foreign law no Participating Shares in the Company are acquired or held by any person in breach of the laws or requirements of any country or governmental authority; and
- (e) for the purposes hereof Participating Shares which have been allotted shall be deemed to come into issue at the Close of Business on the relevant Subscription Day in respect of such allotment.

Any such withdrawal under the provisions of this Article shall be made in writing and shall not be effective until it has actually been received by the Company (or its authorised agent). If no such withdrawal is made, the day on which the redemption of such Participating Shares shall be effected shall be the Dealing Day immediately following the day on which such suspension is lifted.
- (4) The redemption of Participating Shares shall be made on terms that (subject to any requisite official consents first having been obtained) the Company or its authorised agent shall effect settlement of the Proceeds:

- (5) The Company shall not be liable for any loss or damage suffered or incurred by any Applicant or any other person as a result of or arising out of late settlement howsoever such loss or damage may arise.
- (6) Unless a lower number of Participating Shares is specified in the Redemption Request, the Redemption Request will be taken to apply to all the Participating Shares held by the Applicant or represented by the appropriate Contract Note.
- (7) On the redemption of part only of the Participating Shares referred to in any Contract Note the Directors shall procure the issue of a further Contract Note in respect of such Participating Shares or such other evidence as to title as the Applicant may agree with the Directors to be sent to the Applicant.
- (8)
 - (i) Subject to the provisions of this paragraph but notwithstanding any provision of these Articles the Company may limit the number of Participating Shares to be redeemed on any one Dealing Day to 10% of the Net Asset Value of the applicable Fund.
 - (ii) If the Company shall receive requests for redemption on any Dealing Day of Participating Shares in respect of a Fund of a value greater than that provided for in paragraph (8)(i) of this Article, the Company may refuse to redeem any Participating Shares in excess of 10% of the total number of Participating Shares in the applicable Fund or such higher percentage that the Company may determine. The Company shall carry forward for redemption or purchase on the next Dealing Day the balance of each request on a pro rata basis and so on to each succeeding Dealing Day until each request has been complied with in full.
 - (iii) Any requests for redemption which have been carried forward from an earlier Dealing Day pursuant to paragraph (8)(ii) of this Article shall (subject to the foregoing limits) be complied with on a pro rata basis with later requests on each subsequent Dealing Day until all of the Participating Shares to which the original request related have been redeemed.
- (9) The redemption proceeds due to the Shareholder may be satisfied by the Company paying cash or, provided that the Directors or the Manager are satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to any remaining Shareholders and with the agreement of the relevant Shareholder, making an *in specie* distribution, on such terms and conditions as the Directors and the Manager may specify, to such Shareholder of Investments equalling the aggregate redemption proceeds (or together with any such cash payment when aggregated with the value of the Investments being distributed as are equal to such redemption proceeds).
- (10) In the event that the redemption proceeds payable amount to more than 5 per cent. of the Net Asset Value of the relevant Fund, the Company shall have the power to divide in specie the whole or any part of the assets of that Fund and to elect by notice

in writing to the Shareholder to appropriate and transfer to him such assets in satisfaction or part satisfaction of his redemption request. No such distribution shall cause any material prejudice to the interest of the remaining Shareholders. Subject to compliance with the requirements set out in the Prospectus, a Shareholder may require the Company instead to arrange for a sale of the assets and for payment to the Shareholder of the net proceeds of sale.

- (11) Where redemption of Participating Shares is to be satisfied by an *in specie* distribution of Investments held by the Company, the Depositary shall transfer such Investments as the Manager shall direct to the Shareholder as soon as practicable after the relevant Dealing Day. All costs and risks of such distribution shall be borne by such Shareholders.
- (12) Shares redeemed shall be deemed to cease to be in issue at the Close of Business on the relevant Dealing Day in respect of the redemption and such redeemed Shares shall be cancelled.
- (13) For the avoidance of doubt, the purchase/cross investment by a Fund in respect of Participating Shares in other Funds of the Company shall not result in those Participating Shares being cancelled, repurchased or redeemed.

COSTS OF REDEMPTION

18. (1) The redemption of Participating Shares of any class shall be made at the Price per Participating Share of that class calculated by the Administrator in accordance with Article 18(4).
- (2) Upon the redemption of a Participating Share being effected pursuant to these Articles, the Shareholder shall cease to be entitled to any rights in respect thereof and accordingly his name shall be removed from the Register with respect thereto and the Participating Share shall be cancelled and the amount of the Company's issued share capital shall be reduced accordingly. The Participating Share shall be available for re-issue and until re-issue shall form part of the unissued share capital of the Company.
- (3) The Directors may, in their absolute discretion, require any Shareholders redeeming shares from the Company to pay to the Company or to any duly authorised agent of the Company for its absolute use and benefit, transaction charges at a rate to be determined by the Directors by reference to the aggregate amount redeemed but not exceeding an amount equal to 3% of the amount redeemed. Any such transaction charges shall be deducted from the redemption proceeds. The Directors may differentiate between any applicants and between classes of Participating Shares (and types of Shares within that class) as to the amount of such transaction charges within the permitted limit. The Directors shall not increase the maximum charge relating to the redemption or repurchase of Participating Shares without prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders or such other majority as is specified herein. In the event of an increase in the redemption or repurchase charge a reasonable notification period shall be provided to enable Shareholders redeem their Participating Shares prior to the implementation of the increase.
- (4) Where there are net redemptions on any Dealing Day, the Directors may deduct from the redemption proceeds due to any Shareholder redeeming Shares from the Company, such sum as the Directors may consider appropriate to protect the interests of all Shareholders against dilution in value of the relevant Fund on account of the costs associated with the redemption of assets.

COMPULSORY REDEMPTION

19. If on any Dealing Day falling after the first anniversary of the first issue of Participating Shares in a Fund: (i) the Net Asset Value of that Fund falls to a level that in the absolute discretion of the Directors makes the Fund cease to be economically viable; or (ii) for any other reason that the Directors determine, in their absolute discretion, is in the best interests of the Shareholders of a particular Fund, the Directors may by twenty-eight days' notice to holders of Participating Shares of the class attributable to such Fund redeem on the Dealing Day nominated in such notice, at the Price per Participating Share of the class concerned, all (but not some) of the Participating Shares of the class concerned not previously redeemed.
20. In the event of any redemption as set out in Article 19 taking place, the provisions of Article 171(b) and Article 17(4) shall apply as if such redemption had been made at the request of the holders of the Participating Shares in question.
21. With the sanction of a special resolution of the Shareholders of any Fund, the Directors may terminate such Fund and shall compulsorily redeem all (but not some) of the Participating Shares of that Fund at the relevant Price on the Dealing Day next following the passing of such special resolution or on such Dealing Day as the Directors may specify and notify to the Shareholders.
22. If all the Participating Shares of any class are to be redeemed or repurchased pursuant to Article 21 the Directors may, with the sanction of a special resolution of the holders of Participating Shares of that Fund, divide amongst the said holders *in specie* all or any part of the Assets of the relevant Fund. For the avoidance of doubt, if the special resolution above is passed, each said holder is entitled to elect on winding-up, whether or not he wishes to receive a distribution in specie or a cash distribution. In the absence of a holder of Participating Shares electing to receive a distribution in specie, such holder shall receive a cash distribution payment.
23. If any Participating Shares of any Fund are to be redeemed or repurchased as aforesaid and the whole or any part of the business or property of the Company attributable to the relevant Fund or any of the Assets of that Fund are proposed to be transferred or sold to another company or another Fund (hereinafter called "the Transferee") the Directors may, with the sanction of a special resolution of the holders of Participating Shares of that Fund conferring either a general authority on the Directors or an authority in respect of any particular arrangement receive in compensation or part compensation for the transfer or sale shares, units, policies or other like interest or property in or of the Transferee for distribution among the said holders, or may enter into any other arrangement whereby the said holders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee. For the purpose of the foregoing "company" shall include a unit trust scheme.

QUALIFIED HOLDERS

24. If it shall come to the notice of the Directors that any Participating Shares are owned directly or beneficially by any person:
 - (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors and the Depositary; or
 - (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered,

then the Company may give notice to such person requiring him to transfer such Participating Shares to a person who is qualified or entitled to own the same or give a request in writing for the redemption of such Participating Shares in accordance with Article 17. If any person upon whom such a notice is served pursuant to this paragraph does not within thirty days after service of such notice transfer his Participating Shares or give an irrevocable request in writing to redeem his Participating Shares or establish to the satisfaction of the Company (whose judgment shall be final and binding) that he is qualified, entitled and permitted to own the Participating Shares, he shall be deemed upon the expiration of thirty days to have given a request in writing for the redemption of all his Participating Shares pursuant to Article 17 whereupon he shall be bound forthwith to deliver to the Company (or its duly authorised agent) the Contract Note in respect of such Participating Shares or such other evidence as to title as the Directors may require.

25. A person who becomes aware that he is holding or owning Participating Shares within any of the categories referred to in Article 24 above shall forthwith unless he has already received a notice pursuant to Article 24 above either transfer all his Participating Shares to a person qualified or permitted to own the same or give a request in writing for the redemption of all his Participating Shares pursuant to Article 17.
26. The proceeds of any redemption effected pursuant to this Article will be deposited by the Company in a bank for payment to any such person against surrender of the Contract Note representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require. Upon the deposit of such proceeds of redemption as aforesaid, such person shall have no further interest in such Participating Shares or any claim against the Company in respect thereof except the right to receive the proceeds of redemption so deposited (without interest) upon surrender of the said Contract Note or other evidence as to title.
27. The exercise by the Company of the power conferred by this Article shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Participating Shares by any person or that the true ownership of any Participating Shares was otherwise than appeared to the Company at the relevant date provided the said powers shall have been exercised in good faith.
28. The Directors may at any time and from time to time call upon any holder of Participating Shares by notice in writing to provide the Directors with such information and evidence as they shall require upon any matter connected with or in relation to such holder of Participating Shares in order to satisfy themselves that Participating Shares are not owned directly or beneficially by any person:
 - (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors; or
 - (c) such that the status, standing or tax residence of the Company is or may be prejudiced or the Company may suffer any pecuniary disadvantage which it would not otherwise have suffered as a result of that person continuing to own Participating Shares.
29. If such information and evidence is not so provided within a reasonable time (not being more than five days after service of the notice requiring the same) the Directors shall forthwith serve such holder of Participating Shares with a further notice calling upon him, within seven days after service of such further notice, to transfer his Participating Shares or to request the redemption of such Participating Shares in accordance with Article 17 and, failing action by

him within such seven days to implement that notice, he shall be deemed to have given a request in writing for the redemption of all his Participating Shares in accordance with Article 17, whereupon he shall be bound forthwith to deliver to the Company or one of its duly authorised agents the Contract Note for his Participating Shares or such other evidence as to title as the Directors may require and until such time as the Contract Note or such other evidence as to title as the Directors may require as aforesaid is received by the Company or one of its duly authorised agents the proceeds of any such redemption shall be deposited by the Company in a bank in accordance with Article 26 hereof.

30. If the Company becomes liable to account for tax in any jurisdiction in the event that a holder or beneficial owner of a Participating Share were to receive a distribution in respect of his/her Participating Shares or to dispose (or be deemed to have disposed) of his/her Participating Shares in any way (a "**Chargeable Event**"), the Directors or their agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of Participating Shares held by the holder or such beneficial owner of the Participating Shares as are required to meet the amount of tax. The relevant holder of Participating Shares shall indemnify and keep the Company indemnified against loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation, cancellation or compulsory repurchase has been made.

CONVERSIONS

31. The Directors may, in their absolute discretion, determine that a holder of Participating Shares of any Fund (hereinafter in this Article called the "**Original Fund**") may, with the consent of the Company, have the right to convert all or any portion of such Participating Shares comprised in one or more Written Confirmations of Entry into Participating Shares of another Fund (hereinafter in this Article called the "**New Fund**") either existing or agreed by the Directors to be brought into existence. If the Directors determine that Shareholders in a Fund may have such a conversion right, this will be noted in the Prospectus or Supplement for the relevant Fund. Should such a right exist, it may be exercised on the following terms:-
32. The right of conversion is exercisable by the said holder (hereinafter in this Article called the "**Applicant**") giving to the Company (or one of its authorised agents) a notice (hereinafter in this Article called a "**Conversion Notice**") in such form as the Directors may from time to time determine.
33. Subject to the receipt by the Company (or one of its authorised agents) of a Conversion Notice prior to the relevant dealing cut-off time as set out in the Prospectus or the applicable Supplement on which the conversion is to be effected (or such other time as the Directors may determine in any specific case) the conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the next following Dealing Day. Conversion Notices not received prior to the relevant cut-off time may, at the discretion of the Directors, be held over and applied at the next following Dealing Day.
34. The Applicant shall not without the consent of the Company be entitled to withdraw a Conversion Notice given in accordance with this Article except in any circumstances in which if it were a Redemption Request he would be entitled to withdraw it in accordance with Article 17(3) hereof and any such withdrawal shall only be effective if made in compliance with the same requirements as to writing and actual receipt as are imposed by the said Article 17(3).
35. Conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the relevant Dealing Day by the redemption of the Participating Shares of the Original Fund and the allotment and issue of Participating Shares of the New Fund in proportion to

(or as nearly as possible in proportion to) the holding of the Participating Shares of the Original Fund and where conversion is effected in accordance with this Article the number of Participating Shares of the New Fund to be allotted and issued shall be determined in accordance with the following provisions of this Article provided that the right of conversion shall be conditional upon the Company having sufficient available unissued share capital to enable the conversion to be implemented in the manner determined by the Directors as aforesaid.

36. The number of Participating Shares of the New Fund to be allotted and issued on conversion shall be determined by the Directors in accordance with the following formula:

$$\text{NSH} = \frac{\text{OSH} \times \text{OP}}{\text{NP}}$$

where

NSH is the number of Participating Shares of the New Fund;

OSH is the number of Participating Shares of the Original Fund specified in the Conversion Notice;

OP is the price of a Participating Share of the Original Fund calculated in accordance with Article 18 hereof by reference to the relevant Dealing Day;

NP is the price of a Participating Share of the New Fund calculated in accordance with Article 15 hereof by reference to the relevant Dealing Day.

37. Fractions of Participating Shares of the New Fund may not be allotted on conversion and any monies which would provide an entitlement to only a fraction of a Participating Share of the New Fund shall be returned to the Applicant.
38. On the relevant Business Day the Manager shall debit the Fund attributable to Participating Shares of the Original Fund with an amount equal to $\text{OSH} \times \text{OP}$ and shall credit the Fund attributable to Participating Shares of the New Fund with the appropriate amount in the currency in which the New Fund is designated.
39. No Contract Note in respect of Participating Shares of the New Fund allotted on conversion shall be issued until the Company (or its authorised agent) has received the Contract Note representing the relevant number of Participating Shares of the Original Fund so converted with the Conversion Notice on the reverse thereof duly completed and signed or shall have received such other evidence as to title as the Directors may require together with a Conversion Notice in a form acceptable to the Directors.
40. Where a Shareholder converts from the Original Fund to the New Fund and the Participating Shares in the New Fund are designated as Shares of different types in accordance with Article 13(5), Participating Shares in the New Fund will be issued as Shares of the relevant type, as applicable (whether or not the Participating Shares in the Original Fund were designated as Shares of different types in accordance with Article 13(5)). Where the Participating Shares of the Original Fund are designated as Shares of different types in accordance with Article 13(5), and the Shareholder converts to a New Fund (the Participating Shares of which are not designated as Shares of different types in accordance with Article 13(5)) the Participating Shares will be issued of the single type in the New Fund.
41. Where more than one type of Participating Shares in a Fund is in issue, a Shareholder may also have the right, if provided for in the relevant Supplement, to convert all or any portion of such type of Participating Shares into Participating Shares of another type within the same

Fund and the procedures contained in Articles 31- 40 shall, to the extent that they are applicable, equally apply to any such conversion.

CLASSES OF PARTICIPATING SHARES

42. (1) Each Participating Share shall be issued as a member of a particular Fund. Details of the Funds established shall be contained in the Prospectus. Each Fund shall be designated in such currency as the Directors may determine.
- (2) The Directors of the Company shall have discretion, subject to the approval of the Central Bank, to change the name of any Fund without the requirement of Shareholder approval.
43. The Directors shall obtain the prior approval of the Central Bank before establishing any additional Funds.
44. The Directors shall establish and maintain separate Funds and shall have power by resolution of the Board of Directors to adopt for any Fund such investment restrictions as they shall in their discretion deem necessary or appropriate.
45. The Directors shall establish and maintain separate records and accounts in respect of each Fund.
46. The following provisions shall apply to each Fund:
 - (a) the proceeds from the allotment and issue of each Fund shall be applied in the books and records of the Company to the Fund established for Participating Shares of that Fund and the assets less the liabilities plus income less expenditure attributable thereto shall be applied to such Fund;
 - (b) where any asset is derived from another asset (whether cash or otherwise) such derivative asset shall be applied in the books of the Company to the same Fund as the asset from which it was derived and on each revaluation of an asset the increase or decrease in value shall be applied to or deducted from the relevant Fund;
 - (c) the Directors shall have discretion subject to the approval of the Depositary, to determine the bases upon which any asset or liability which they do not consider attributable to a particular Fund (which in the case of a liability, without limitation, may include all operating expenses of the Company such as audit fees, legal fees, registration fees, the costs of publication and distribution of prospectuses and the costs of calculation and publication of share prices) shall be allocated between Funds (including conditions as to subsequent re-allocations if circumstances so require) and shall have power at any time and from time to time to vary such bases provided that the approval of the Depositary shall not be required in any case where such an asset or liability is allocated between all Funds pro rata according to the Net Asset Value of each at the time when such allocation was made;
 - (d) save as otherwise provided herein the assets, liabilities and income of each Fund shall be applied solely in the currency or currencies or to the type or class of investments specified by the Directors for each particular Fund and the assets so held in or for each Fund shall be applied solely in respect of Participating Shares of the class to which such Fund relates; and
 - (e) subject to the approval of the Depositary, the Directors may transfer any assets to and from Funds if, as a result of a creditor proceeding against certain of the assets of the Company or otherwise a liability would be borne in a different manner from that in

which it would have been borne under paragraph (c) above or in any similar circumstances.

47. The Net Asset Value of each Fund shall be determined separately on each Business Day and the Prices of Participating Shares of each class shall be calculated as hereinbefore provided based on the Net Asset Value of the Fund to which such Participating Shares are attributable.
48. The assets and liabilities of each Fund shall belong exclusively to such Fund to which they are attributable. Such assets shall be segregated in the books and records of the Company from the assets of all other Funds and shall not be allocated, nor shall they be pooled with the assets of any other Fund, to discharge directly or indirectly the liabilities or any claim against any other such Fund and shall not be available for any such purpose.

VALUATIONS OF FUNDS

49. The Net Asset Value of each Fund will be calculated by the Administrator as at the relevant Valuation Point for each Fund. The Valuation Point for new Funds will be decided by the Directors at the time of the creation of the Fund. The Net Asset Value for Participating Shares in each Fund is calculated by the Administrator determining the value of the assets and accrued income, and deducting all the liabilities. The Net Asset Value is then divided by the number of Participating Shares in issue to give the Net Asset Value per Participating Share for each Participating Share of that Fund.
50. The Net Asset Value of a type of Participating Shares within the Fund shall be calculated as follows:
 - (a) by determining the allocation ratios for each type of Participating Shares which shall be done by dividing the figure calculated in (i) below for each type of Participating Shares by the figure calculated in (ii) below:-
 - (i) adding the Net Asset Value of each type of Participating Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscriptions/redemptions placed as of the previous Valuation Point) for the current Valuation Point for each type of Participating Shares.
 - (ii) adding the total of the Net Asset Values for all types of Participating Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscriptions/redemptions placed as of the previous Valuation Point) for the current Valuation Point for all types of Participating Shares.
 - (b) allocating the Fund's income, expenses and realised and unrealised gains and losses accrued for the current Valuation Point to each type of Participating Shares with the amount to be allocated being calculated by multiplying the aggregate of such accrued amounts by the ratios determined in (a) above;
 - (c) adding the figures from (b) as allocated for each type of Participating Shares to the expenses accrued, distributions declared and the value of Shareholder activity (i.e. net subscriptions/redemptions) for the current Valuation Point which are solely attributable to each specific type of Participating Shares. An expense will be attributed to a specific type of Participating Shares which is specifically attributable to that type;
 - (d) adding the results of (c) for each type of Participating Shares to the Net Asset Value of the previous Valuation Point of the respective type of Participating Shares.

51. The Net Asset Value of any type of Participating Shares within a Fund will be determined as at the Valuation Point by deducting that type's pro rata share of the liabilities of that Fund plus other applicable liabilities/expenses of such type from that type's pro rata share of the assets of that Fund, in all cases in accordance with the terms of the Articles.
52. The Net Asset Value of a type of Participating Shares within a Fund shall be expressed in the base currency for that type (translated where necessary at such reasonable rate of exchange as the Manager deems fit).
53. The Net Asset Value of a Participating Share attributable to a type shall be determined by dividing the Net Asset Value attributable to the relevant type by the number of Participating Shares in that type in issue and deemed to be in issue and rounding mathematically to the nearest two decimal places.
54. The calculation of Net Asset Value may also be adjusted to take account of any fiscal and brokerage charges.
55. For these purposes:- Value, except where otherwise expressly stated, means the Net Asset Value of a Fund, which shall be calculated by the Administrator as at the Valuation Point on each Dealing Day, by valuing the assets of the Fund in accordance with paragraph 15.8 hereunder and deducting the liabilities of the Fund in accordance with paragraph 15.14(e).
56. The value of the assets shall be ascertained on the following basis:-
 - (a) Deposits shall be valued at their principal amount plus accrued interest from the date on which same was acquired or made;
 - (b) The value of any Investment quoted, listed or normally dealt in, or under the rules of a Recognised Market is calculated by reference to the price appearing to the Administrator to be the last traded price or (if bid and offered quotations are made) the latest middle market quotation on such Recognised Market as at the Valuation Point provided that:
 - (i) if any Investment is quoted, listed or normally dealt in, on or under the rules of more than one Recognised Market, the Administrator shall adopt the price or, as the case may be, latest middle market quotation on the Recognised Market which, in its opinion, provides the main market for such Investment;
 - (ii) in the case of any Investment which is quoted, listed or normally dealt in, on or under the rules of a Recognised Market but in respect of which, for any reason, prices on the Recognised Market are unrepresentative or may not be available at any relevant time, the value thereof shall be assessed to be the probable redemption value estimated with care and in good faith by such competent person as may be appointed for such purpose by the Directors and approved for the purpose by the Depositary; and
 - (iii) the Administrator shall not be under any liability by reason of the fact that a value reasonably believed by it to be the last traded price or, as the case may be, latest available middle market quotation for the time being may be found not to be such;
 - (iv) there shall be taken into account interest on interest-bearing Investments up to the relevant Valuation Point unless such interest is included in the price or quotation referred to above; and

- (v) any Investment quoted, listed or normally dealt with on a regulated market but acquired or traded at a premium or at a discount outside or off the relevant regulated market may be valued taking into account the level of premium or discount as at the date of valuation of the Investment with the approval of a competent person (approved for the purpose by the Depositary). The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable redemption value of the security.
 - (c) The value of any Investment which is not quoted, listed or normally dealt in, on or under the rules of a Recognised Market shall be the value thereof as assessed to be the probable redemption value estimated with care and in good faith by such competent person as may be appointed by the Directors and approved for the purpose by the Depositary.
 - (d) The value of each unit or share in any collective investment undertaking which provides for the units or shares therein to be realised at the option of the holder out of the assets of that undertaking shall be the latest available Net Asset Value per unit or share or (if bid and offer prices are published) the latest available bid price.
 - (e) Exchange traded futures and options contracts (including index futures) shall be valued at the settlement price as determined by the market in question. If such settlement price is not available, the value shall be the probable redemption value estimated with care and in good faith by the Directors or such other competent person approved for the purpose by the Depositary. Off-exchange derivative contracts shall be valued by the counterparty at least daily and the value of such contracts shall be the quotation from the counterparty. The valuation must be approved or verified at least weekly by a third party who is independent of the counterparty and who is approved for the purpose by the Depositary.
 - (f) Cash (in hand or on deposit) and similar property shall be valued at their face value (together with accrued interest) unless, in the opinion of the Administrator, any adjustment should be made.
 - (g) Forward foreign exchange contracts shall be valued by reference to the price at which a new forward contract of the same size and maturity could be undertaken. As foreign exchange hedging may be utilised for the benefit of a particular type of Participating Shares within a Fund, its costs and related liabilities and/or benefits shall be for the account of that Participating Share type only. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per Participating Share for Participating Shares of any such type.
57. Notwithstanding any of the foregoing sub-paragraphs, the Directors may with the approval of the Depositary adjust the value of any Investment quoted, listed or normally dealt in, or under the rules of a Recognised Market if having regard to currency, applicable rate of interest, maturity, marketability and/or other circumstances as they deem appropriate, they consider that such adjustment is required to reflect more fairly the value of such Investment.
58. If in the case of a particular asset, the value is not ascertainable as above provided or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant investment then in such case the method of valuation of the relevant investment shall be such as the Directors in their absolute discretion shall decide with the approval of the Depositary and the rationale/methodologies are clearly documented.
59. Notwithstanding the foregoing, where at the time of any valuation any asset of the Fund has been realised, or contracted to be realised, there shall be included in the assets of the Fund in

place of such asset the net amount receivable by the Fund in respect thereof provided that if such amount is not known exactly then its value shall be the net amount estimated by the Directors as receivable by the Fund.

60. The pricing services, whether automated or not, of one or more third parties may be engaged to ascertain the value of any Investment.
61. For the purpose of valuing the Company's assets as aforesaid the Directors may rely upon the opinions of any person(s) who appear to them to be competent to value assets by reason of any appropriate professional qualification or of experience of any relevant market.
62. In calculating the Net Asset Value of a Fund as at any particular Valuation Point ("the Relevant Valuation Point"):-
 - (a) every Participating Share issued prior to the Relevant Valuation Point and not cancelled shall be deemed to include the value of any cash or other property to be received in respect of each such Participating Share after deducting therefrom or providing thereout the transaction charge and adjustment (if any), and any moneys payable out of that Fund;
 - (b) where, in consequence of any notice or redemption request duly given, a redemption of that Fund by cancellation of Participating Shares has been or is to be effected prior to the Relevant Valuation Point but payment in respect of such redemption has not been completed, the Participating Shares in question shall be deemed not to have been issued and any amount payable in cash or Investment out of that Fund in pursuance of such redemption shall be deducted;
 - (c) where any Investment has been agreed to be acquired or realised but such acquisition or disposal has not been completed, such Investment shall be included or excluded and the gross acquisition or net disposal consideration excluded or included as the case may require as if such acquisition or disposal has been duly completed;
 - (d) there shall be included in the assets an amount equal to all such costs, charges, fees and expenses as the Administrator may have determined to amortise, less the amount thereof which has previously been or is then to be written off;
 - (e) the liabilities attributable to that Fund shall include (without limitation):-
 - (i) any amount of Investment Management charge, Depositary's remuneration and Administrator's remuneration (together with VAT if applicable) accrued up to the Relevant Valuation Point but remaining unpaid;
 - (ii) the amount of tax (if any) on capital gains or income accrued up to the end of the last accounting period but remaining unpaid;
 - (iii) the aggregate amount for the time being outstanding of any borrowing and the amount of any unpaid interest and expenses;
 - (iv) an amount equal to the value of any derivative instrument which is a negative amount;
 - (v) any other costs or expenses payable (including any regulatory fees payable to the Central Bank) but not paid which are expressly authorised by any of the provisions of the Articles to be payable out of the Fund;

- (vi) there shall be taken into account such sum (if any) as the Administrator estimates will fall to be paid or reclaimed in respect of taxation related to income and capital gains up to the Relevant Valuation Point;
- (vii) liabilities shall (where appropriate) be treated as accruing from day to day;
- (viii) where the current price of an Investment is quoted "ex dividend" or interest, the amount of such dividend or interest if receivable by that Fund but not yet received, shall be taken into account; and
- (ix) any value (whether of a liability or of an Investment, cash or other property) otherwise than in the base currency of that Fund shall be converted into such base currency at a rate (whether official or otherwise) which the Administrator shall deem appropriate in the circumstances having regard to any premium or discount which may be relevant and to the costs of exchange.

SUSPENSION OF ISSUES AND REDEMPTIONS

63. (1) The Directors may at any time declare a temporary suspension of issues, redemptions and conversions of Participating Shares or of any one or more classes of Participating Shares during:
- (a) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings thereon are restricted or suspended;
 - (b) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial part of the investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of the Shareholders in the relevant Fund or if in the opinion of the Directors the Net Asset Value of the relevant Fund cannot be fairly calculated; or
 - (c) any breakdown in the means of communication normally employed in determining the value of the investments of the relevant Fund or when for any reason the current prices on any market of a substantial part of the investments of the relevant Fund cannot be promptly and accurately ascertained;
- (2) Any suspension shall take effect on the day on which the declaration is made and thereafter there shall be no issues, redemptions or conversions of Participating Shares of the class or classes concerned until the Directors shall declare the suspension to be at an end. The Directors shall during the period of any suspension review the reasons for the suspension and declare the suspension at an end as soon as they and the Depositary consider that the reasons or conditions giving rise to the suspension have ceased to exist and no other reasons or conditions on foot of which a suspension might be declared shall exist. Where possible, the Directors shall take all reasonable steps to bring any period of suspension to an end as soon as possible.
- (3) Any suspension shall be consistent with such official rules and regulations (if any) relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the Company and as shall be in effect at the time.

- (4) To the extent not inconsistent with such official rules and regulations, the determination of the Directors pursuant to Article 63(2) shall be conclusive.
- (5) Forthwith after the commencement of any suspension the Directors shall immediately and in any event within the same Business Day notify in writing the Central Bank, the Irish Stock Exchange (for each class of Shares admitted to the Official List of the Irish Stock Exchange) and the competent authorities in the Member States in which the Company markets its Participating Shares that such a suspension has been made. As soon as may be practicable after the commencement of any suspension, the Directors shall if possible cause a notice to be placed in such publication(s) as the Company has caused Prices to be published in during the preceding six months stating that such suspension has been made, and at the end of any period of suspension the Directors shall cause another notice to be placed in such publication(s) stating that the period of suspension has ended.
- (6) Nothing herein shall prevent the Company, if the Directors (acting on the advice of the Manager) think fit, from agreeing, during the period of suspension, to issue or redeem or convert Participating Shares at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.
- (7) Issues, redemptions and conversions of Participating Shares which have been subject to a suspension shall take place after such suspension has been declared to be at an end at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.

CALLS ON MANAGEMENT SHARES

64. The Directors may from time to time make calls upon any registered holder of Management Shares in respect of any moneys unpaid on his Management Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Share shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each such registered holder shall (subject to being given at least fourteen days notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his Management Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
65. The Directors may, if they think fit, receive from any registered holder of Management Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Management Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Management Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which it has been received.

MODIFICATION OF RIGHTS

66. Whenever the capital of the Company is divided into different classes of Participating Shares the special rights attached to any class may (unless otherwise provided by the terms of issue of the Participating Shares of that class) be varied or abrogated either whilst the Company is a going concern or during or in contemplation of a winding up, with the consent in writing of the holders of three-fourths of the issued Participating Shares of the class, or with the sanction of a resolution passed at a separate meeting of the holders of the Participating Shares of the class by a majority of three-fourths of the votes cast at such a meeting, but not otherwise. To every such separate meeting all the provisions of the Acts and these Articles relating to the

general meetings of the Company or to the proceedings thereat shall, mutatis mutandis, apply except that:

- (a) the necessary quorum shall be two persons (except where there are less than two Participating Shareholders in any class, when the quorum shall be one person) at least holding or representing by proxy one-third in nominal amount of the issued Participating Shares of the class (but so that if at any adjourned meeting of such Shareholders a quorum as above defined is not present, those Shareholders who are present shall be a quorum);
 - (b) every Shareholder of the class shall on a poll have one vote for each Participating Share of the class held by him; and
 - (c) any Member of the class present in person or by proxy may demand a poll.
67. The rights conferred upon the holders of any Participating Shares or class of Participating Shares issued with preferred, deferred or other special rights shall (unless otherwise expressly provided by the conditions of issue of such Participating Shares) not be deemed to be varied by the creation or issue of further Participating Shares ranking in any respect *pari passu* therewith.

CONFIRMATION OF ENTRY IN THE REGISTER

68. Every person whose name is entered as a Member in the Register shall be entitled without payment to a Contract Note which will constitute written confirmation from the Company as to his entry in the Register in respect of all his Participating Shares of each class. It is not the intention of the Directors to issue share certificates.
69. Where a Member has transferred or redeemed part of the Participating Shares comprised in his holding he shall be entitled to a further Contract Note, or other evidence as to title, in respect of the balance of his holding, without charge.
70. Every Contract Note shall be issued within two Business Days after allotment or the lodgement with the Company of the transfer of the Participating Shares, unless the conditions of issue of such Participating Shares otherwise provide, and shall specify the number and class and distinguishing number (if any) of the Participating Shares to which it relates.
71. If at any time all the issued Participating Shares in the Company (or all the issued Participating Shares therein of a particular class) rank *pari passu* for all purposes none of these Participating Shares need thereafter have a distinguishing number so long as they rank *pari passu* for all purposes with all Participating Shares of the same class for the time being issued.
72. The Company shall not be bound to register more than four persons as the joint holders of any Participating Share or Participating Shares and in the case of a Participating Share held jointly by several persons, the Company shall not be bound to issue more than one Contract Note therefor, and delivery of a Contract Note for a Participating Share to one of several joint holders shall be sufficient delivery to all.
73. If a Contract Note be defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity as the Directors think fit. In case of loss or destruction, the Member to whom such renewed Contract Note is given shall also bear and pay to the Company all expenses incidental to the investigation by the Company of the evidence of such loss or destruction.

TRANSFER OF SHARES

74. All transfers of Shares shall be effected by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under Seal. The transferring Member remains liable to the Company for all related fees or costs arising from the transfer.
75. The instrument of transfer of a Share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
76. The Directors may decline to register any transfer of Participating Shares in respect of which the Company has a lien or where the transfer would be in breach of the law or requirements mentioned in Article 16 hereof or where the transfer would result in Shares being acquired or held by or for the account of any person or persons in circumstances (whether directly or indirectly) which, in the opinion of the Directors, may result in regulatory, pecuniary, legal, taxation or material administrative disadvantage for the Company.
77. The Directors may also decline to register any transfer of Participating Shares unless the instrument of transfer is deposited at the Company's registered office or such other place as the Directors may reasonably require, accompanied by the Contract Note in respect of the Shares to which the transfer relates or such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer, and the instrument of transfer relates to Shares of one class only. Furthermore, the transferee must provide such information, representations and warranties to the Company as are required for an application for Participating Shares under Article 16.
78. If the Directors decline to register a transfer of any Participating Share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferor notice of the refusal.
79. The Directors may at any time direct that any Management Shares not held by Findlay Park Partners LLP for the time being or its nominees shall be compulsorily purchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:
 - (a) The Directors shall serve a notice (hereinafter called a "**Purchase Notice**") upon the person appearing in the Register as the holder of the Management Shares to be purchased (the "**Vendor**") specifying the Management Shares to be purchased as aforesaid, the price to be paid for such Shares, the person in whose favour such holder must execute a transfer of such Shares and the place at which the purchase price in respect of such Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within 10 days from the date of the Purchase Notice a duly executed transfer of the shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (b) The price payable for each Management Share transferred pursuant to this Article shall be par value less the amount remaining to be paid up thereon.
 - (c) In the event of the Vendor failing to carry out the sale of any Management Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of such Share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such Share, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.

80. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than 30 days in any year.
81. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of suspected fraud), at the discretion of the Directors, either be destroyed or returned to the person depositing the same.

TRANSMISSION OF SHARES

82. In case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the Company as having title to his interest in the Share, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
83. Any guardian of an infant Shareholder and any curator or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Participating Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall in either case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant Shareholder or by the deceased or bankrupt Shareholder before the death or bankruptcy or by the Shareholder under legal disability before such disability.
84. A person becoming entitled to a Share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other moneys payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the Shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

VARIATION OF SHARE CAPITAL

85. The Company may from time to time by Ordinary Resolution increase its capital by such number of Shares as the resolution shall prescribe.
86. In addition to any rights of the Company specifically conferred by these Articles to reduce its share capital the Company may by special resolution from time to time reduce its share capital in any way, and in particular, without prejudice to the generality of the foregoing power may with or without extinguishing or reducing liability on any of its Shares:-
- (a) cancel any paid-up share capital which is lost or which is not represented by available assets; or
 - (b) pay off any paid-up share capital which is in excess of the requirements of the Company.
87. The Company may by Ordinary Resolution from time to time alter (without reducing it) its share capital by:

- (a) consolidating and dividing all or any of its share capital into a smaller number of Shares than its existing Shares;
 - (b) sub-dividing its Shares, or any of them, into a larger number of Shares than that fixed by its Constitution; or
 - (c) cancelling any Shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled.
88. All new Shares shall be subject to the provisions of these Articles with reference to transfer, transmission and otherwise.

GENERAL MEETINGS

89. The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next PROVIDED THAT so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent annual general meetings shall be held once in each year.
90. All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

The notice shall be given in the manner authorised by these Articles to such persons as are under these Articles entitled to receive such notices from the Company. A notice calling an annual general meeting shall specify the meeting as such and the notice convening a meeting to pass a special resolution shall specify the intention to propose the resolution as such.
93. A general meeting shall, notwithstanding that it is called by shorter notice than that specified in Article 92, be deemed to have been duly called if it is so agreed by the auditors and all the Members entitled to attend and vote thereat.
94. (1) Notices of meetings will be posted to Members of the particular class, who will not be required to lodge their certificates or may be sent by Electronic Means to such Electronic Address as may have been provided to the Company by that Member. In every notice calling a meeting of the Company, or of any class of Members of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote instead of him and that a proxy need not also be a Member. In every notice calling a meeting of the Company, or of any class of members of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and

101. The Chairman (if any) or, if absent, the Deputy Chairman (if any) of the Board of Directors, or, failing him, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the Company, but if at any meeting neither the Chairman nor the Deputy Chairman nor such other Director be present within five minutes after the time appointed for holding the meeting, or if neither of them be willing to act as Chairman, the Directors present shall choose some Director present to be Chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Members present (in person or by proxy) shall choose some Member present to be Chairman.

When a meeting is adjourned for fourteen days or more seven clear days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

104. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
105. The instrument appointing a proxy to vote at a Meeting shall be deemed also to confer authority to demand or join in demanding a poll, and for the purposes of the last preceding Article a demand by a person as a proxy for a Member shall be the same as a demand by the Member.
106. If a poll is duly demanded, it shall be taken in such manner and at such place as the Chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chairman may, in the event of a poll, appoint a scrutineer and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
107. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
108. A poll demanded on the election of a Chairman and a poll demanded on a question of adjournment shall be taken forthwith.

127. (1) Subject to the provisions of the Acts and unless otherwise determined by the Company by Ordinary Resolution in general meeting, the number of the Directors shall not be less than two. The first Directors shall be the persons named as first Directors in the papers delivered to the Companies Registration Office. A Director (including any alternate Director appointed under Article 132 who is not himself a Director) may only be appointed thereafter if the approval of the Central Bank to such appointment has been obtained provided that such approval is not required for the appointment of an alternate Director for any first Director.
- (2) The Directors shall not be required to retire by rotation.
128. The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine, which may be subject to adjustment from time to time at the annual general meeting. Such remuneration shall accrue from day to day. The Directors may grant extra remuneration to any Director who is called upon to perform any special or extra services for or at the request of the Company. The Directors may be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the Company or in connection with the business of the Company.
129. Nothing in section 228(1)(e) of the Act shall restrict a Director from entering into any commitment which has been approved by the board or has been approved pursuant to such authority as may be delegated by the board in accordance with these Articles. It shall be the duty of each Director to obtain the prior approval of the board before entering into any commitment permitted by sections 228(1) (e) (ii) and 228 (2) of the Act.
130. A Director need not be a Member of the Company but shall be entitled to receive notice of and attend all general meetings of the Company and all separate general meetings of the holders of any class of shares in the capital of the Company.

132. Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a meeting of the Directors, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment. 133. The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
134. An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of these Articles shall apply as if he (instead of his appointor) were a Director. Any Director who is appointed as an alternate Director shall be entitled at a meeting of the Directors to cast a vote on behalf of his appointor in addition to the vote to which he is

entitled in his own capacity as a Director of the Company, and shall also be considered as two Directors for the purpose of making a quorum of Directors when such quorum shall exceed two. If his appointor is for the time being temporarily unable to act through ill-health or disability his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor.  - (c) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (d) if he becomes of unsound mind;
 - (e) if he is absent from meetings of the Directors for twelve successive months without leave expressed by a resolution of the Directors, and the Directors resolve that his office be vacated;
 - (f) if he ceases to be a Director by virtue of any provision of the Acts, or becomes prohibited from being a Director by reason of, an order made under any provisions of any law or enactment;

 - (h) if he is removed from office by an Ordinary Resolution of the Company in general meeting.
137. The Company at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director, unless the Company shall determine to reduce the number of Directors.
138. At least seven days' previous notice in writing shall be given to the Company of the intention of any Member to propose any person for election to the office of Director and such notice shall be accompanied by a declaration in writing signed by the person to be proposed confirming his willingness to be appointed; PROVIDED ALWAYS that if the Members present at a general meeting unanimously consent, the Chairman of such Meeting may waive the said notice and submit to the Meeting the name of any person so nominated (provided such person confirms in writing his willingness to be appointed).

139. At a general meeting a motion for the appointment of two or more persons as Directors or the Company by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.

140. A Director may hold any other office or place of profit under the Company in conjunction with his office of Director on such terms as to tenure of office, and otherwise as the Directors may determine.

- (a) No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the Company or in which the Company is interested, in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. A Director who is in any way, whether directly or indirectly, interested in such a contract or arrangement or proposed contract or arrangement with the Company shall declare the nature of his interest at the meeting of the Directors at which the question of entering into a contract or arrangement is first taken into consideration, if his interest then exists, or in any other case at the first meeting of the Directors after he becomes so interested. A general notice given by a Director to the effect that he is a Member of a specified company, society or firm and is to be regarded as interested in all transactions with such company, society or firm shall be a sufficient declaration of interest under this Article, and after such general notice it shall not be necessary to give any special notice relating to any subsequent transaction with such company or firm, provided that either the notice is given at a meeting of the Directors or the Director giving the notice takes reasonable steps to secure that it is brought up and read at the next meeting of the Directors after it is given.
- (b) Subject to paragraph (a) above, a Director may vote in respect of any contract, appointment or arrangement in which he is interested and he shall be counted in the quorum present at the meeting.

141. Any Director may act by himself or through his firm or corporate entity in a professional capacity for the Company, and he or his firm or corporate entity shall be entitled to remuneration for professional services as if he were not a Director.

142. Any Director may continue to be or become a director, managing director, manager or other officer or Member of any company promoted by the Company or in which the Company may be interested, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or Member of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the Company or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to directors, managing directors, managers or other officers of such company).

POWERS OF DIRECTORS

143. (1) The business of the Company shall be managed by the Directors outside the United Kingdom, who may exercise all such powers of the Company as are not by the Acts

or by these Articles required to be exercised by the Company in general meeting including the powers of the Company to borrow money, to mortgage or charge its undertaking, property and assets or any part thereof and to issue debentures, debenture stock or other securities, whether outright or as security for debts, subject nevertheless to these Articles, to the provisions of the Acts, and to such directions, being not inconsistent with these Articles or provisos as may be prescribed by the Company in general meeting, but no direction made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such direction had already been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by any other Article. The Company shall not carry on business in the United Kingdom or have a place of business there.

- (2) The Directors shall at all times procure that the investment policy of the Company (and of any Fund in respect of which they may have adopted any investment restrictions pursuant to Article 44) is conducted and implemented in accordance with the UCITS Rules, provided that
 - (a) the States, local authorities or public international bodies (of which one or more Member States are Members) issuing or guaranteeing securities in which it intends to invest more than 35% of its net assets, pursuant to the UCITS Rules shall be each Member State (and their respective local authorities), a Member of the OECD, Government of the People's Republic of China, Government of Brazil (provided the issues are of investment grade), Government of India (provided the issues are of investment grade), Government of Singapore or one of the following bodies: European Investment Bank, European Bank for Reconstruction and Development, International Finance Corporation, International Monetary Fund, Euratom, The Asian Development Bank, European Central Bank, Council of Europe, Eurofima, African Development Bank, International Bank for Reconstruction and Development (The World Bank), The Inter American Development Bank, European Union, Federal National Mortgage Association (Fannie Mae), Federal Home Loan Mortgage Corporation (Freddie Mac), Government National Mortgage Association (Ginnie Mae), Student Loan Marketing Association (Sallie Mae), Federal Home Loan Bank, Federal Farm Credit Bank, Tennessee Valley Authority, Straight-A Funding LLC, Export-Import Bank;

 - (c) the Company may acquire shares in a company managed by the Manager or by any other company with which the Manager is linked by common management or control, or by a substantial direct or indirect holding, which, in accordance with its Constitution, has specialised in investment in a specific geographical area or economic sector, and provided that no fees or costs are charged by the Manager on account of transactions relating to such acquisition and such investment is authorised by the Central Bank.
- (3) Other than as specifically permitted by the UCITS Rules, the transferable securities in which the Directors may invest the Funds of the Company must be dealt in or quoted on a Recognised Market.

- (4) (a) Without prejudice to the limits specified in the UCITS Rules, the limit in Regulation 70(1)(a) of the Principal Regulations (as may be amended from time to time) is raised to 20% for investments in shares and/or debt securities issued by the same body where the investment policy of the Fund is to replicate an index (the details of which shall be set out in the Prospectus and/or applicable Supplement for that Fund). The index must be recognised by the Central Bank on the basis that it is (i) sufficiently diversified; (ii) represents an adequate benchmark for the market to which it refers; and (iii) is published in an appropriate manner.
- (b) The Central Bank may raise the limit in Regulation 70(1)(a) of the Principal Regulations (as may be amended from time to time) to a maximum of 35% where that proves to be justified by exceptional market conditions in particular in regulated markets where certain transferable securities or money market instruments are highly dominant. The investment up to this limit is only permitted for a single issuer.
144. (1) The Company (or any Fund) may, subject to a special resolution of the Shareholders of the Company or relevant Fund, be amalgamated or merged with another collective investment scheme (or sub-fund thereof) (the “**Transferee**”) on such terms, and subject to such conditions, as the Directors may consider appropriate. Without limiting the foregoing, any such scheme of amalgamation or merger may involve all or part of the business of the Company or any Fund (including its assets and/or liabilities), or the Shares of the Company or any Fund being transferred to the Transferee in consideration for the issue, by the Transferee of shares, assets or equivalent interests in the Transferee to the Company (or Fund) or to the relevant Shareholders directly.
- (2) In connection with any such scheme of amalgamation or merger referred to above which the Company or a Fund may enter into with a Transferee, the assets of the Company or Fund may be passed to a non-Irish trustee or depositary which has been appointed as a trustee or depositary to the Transferee to coincide with the time that the scheme of amalgamation or merger becomes effective.
145. The Directors may from time to time and at any time by power of attorney under the Seal, appoint any company, firm or person or any fluctuating body of persons whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorneys as the Directors may think fit, and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him. Notwithstanding the generality of the foregoing, the Directors may appoint an attorney for the purpose of exercising their power to allot relevant securities as more particularly described in Articles 15 and 16 hereof.
146. All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments, and all receipts for moneys paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

PROCEEDINGS OF DIRECTORS

147. The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit, and, without limitation, may adopt standing orders or other regulations governing matters such as the quorum necessary for the transaction of business,

the appointment of a chairman for their meetings, and the appointment and regulation of the business of committees of the directors. The quorum necessary for the transaction of business may be fixed from time to time by the directors and unless so fixed shall be two of which a majority shall be persons who are not resident in the United Kingdom. No meetings of directors shall be held in the United Kingdom and any decision reached or resolution passed at a meeting in the United Kingdom shall be invalid and of no effect. Any committees of the directors referred to above shall at all times comprise a majority of persons not resident in the United Kingdom. Questions arising at any meeting shall be determined by a majority of votes. 148. Any director may participate in a meeting of the directors by means of telephone (provided that such telephone call originates in Ireland) or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly.
149. The quorum necessary for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed at any other number shall be two of which a majority shall be persons who are not resident in the United Kingdom.
150. The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number, but if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with these Articles, the continuing Directors or Director may act for the purpose of filling up vacancies in their number, or of summoning general meetings of the Company, but not for any other purpose. If there are no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.
151. The Directors may from time to time elect and remove a chairman and, if they think fit, a Deputy Chairman and determine the period for which they respectively are to hold office. The Chairman or, failing him, the Deputy Chairman shall preside at all meetings of the Directors, but if there be no Chairman or Deputy Chairman, or if at any meeting the Chairman or Deputy Chairman be not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be Chairman of the meeting.
152. A resolution in writing signed by all the Directors for the time being entitled to receive a notice of a meeting of the Directors shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and held and may consist of several documents in the like form each signed by one or more of the Directors.
153. A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.
154. Without prejudice to the powers of delegation conferred by these Articles, the Directors may delegate any of their powers to committees consisting of such Member or Members of their body as they think fit and, if thought fit, one or more other persons. Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on them by the Directors.
155. The meetings and proceedings of any such committee consisting of two or more Directors shall be governed by the provisions of these Articles regulating the meetings and proceedings

of the Directors so far as the same are applicable and are not superseded by any regulations made by the Directors under the last preceding Article.

156. All acts done by any meeting of Directors, or of a committee of Directors or by any person acting in good faith as a Director shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.
157. The Directors shall cause minutes to be made of:-
- (a) all appointments of officers made by the Directors;
 - (b) the names of the Directors present at each meeting of the Directors and of any committee of Directors; and

158. A register of Directors' share holdings shall be kept at the Office and shall be open to inspection in accordance with the requirements of the Acts. The said register shall also be produced at least one quarter hour before the appointed time for the commencement of each annual general meeting and shall remain open and accessible during the continuance of the meeting to any person attending the meeting.
159. Any Director may participate in a meeting of the Directors by means of telephone or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly. Any such meeting shall be deemed to take place where the majority of the participating Directors are located or, if there is no such group, where the Chairman of the meeting is present and, if neither applies, in such location as the meeting decides.

BORROWING AND OTHER POWERS

160. (1) Subject as hereinafter provided the Directors may exercise all the powers of the Company to borrow money (including the power to borrow for the purpose of redeeming Shares) and charge, to issue debentures, debenture stock or other securities, whether outright or as collateral security for any debt liability or obligation of the Company or of any third party, provided that no borrowings shall be made save in accordance with the UCITS Rules and the limits laid down by the Central Bank.
- (2) The Company may not grant loans nor act as a guarantor on behalf of third parties save in accordance with the UCITS Rules.
- (3) The Company may not carry out sales of transferable securities when such securities are not in its ownership.

MANAGING DIRECTOR

161. (1) The Directors may from time to time appoint one or more of their body to be a Managing Director or Managing Directors of the Company and may fix his or their remuneration.
- (2) Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment but so that the remedy of any such person for any breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the Company in general meeting.
162. A Managing Director shall not, while he continues to hold that office, be liable to retire by rotation (if the Articles should so provide in the case of Directors generally) and he shall not be taken into account in determining the rotation in which the other Directors shall retire (except for the purpose of fixing the number to retire in each year), but he shall be subject to the same provisions as to removal and disqualification as the other Directors and if he ceases to hold the office of Director from any cause he shall ipso facto cease to be a Managing Director.
163. The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to all such regulations and restrictions as the Directors may from time to time make and impose and the said powers may at any time be withdrawn, revoked or varied.

SECRETARY

164. Subject to the provisions of the Acts, the Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they think fit and any secretary so appointed may be removed by them, but without prejudice to any claim for damages for breach of any contract of service between him and the Company. If thought fit, two or more persons may be appointed joint secretaries. Anything required or authorised to be done by or to the Secretary, may if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any Assistant or Deputy Secretary or if there is no Assistant or Deputy Secretary capable of acting by or to any officer of the Company authorised generally or specifically in that behalf by the Directors PROVIDED THAT any provisions of these Articles requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

THE SEAL

165. The Directors shall provide a common seal for the Company and shall have power from time to time to destroy the same and to substitute a new Seal in lieu thereof. The Directors shall provide for the safe custody of the Seal and the Seal shall never be used except by the authority of a resolution of the Directors or of a committee of the Directors authorised by the Directors in that behalf. The Directors may from time to time as they see fit or (subject to the provisions of these Articles relating to share certificates) determine the person and the number of such persons in whose presence the Seal shall be used, and until otherwise so determined the Seal shall be affixed in the presence of two Directors or one Director and the Secretary, or some other person duly authorised by the Directors.

166. The Directors may exercise the powers conferred on the Company by the Acts with regard to having an official Seal solely for sealing documents creating or evidencing securities of the Company.
167. The Company may exercise the powers conferred by section 41 of the Act with regard to having an official Seal for use abroad, and such powers shall be vested in the Directors.

DIVIDENDS

168. (a) The Company in general meeting may declare dividends on the Participating Shares of each Fund but no dividend shall exceed the amount recommended by the Directors in respect of each Fund respectively. The Directors may differentiate between the different Funds, as to the amount (if any) of any dividend recommended in respect of each Fund. Furthermore, in accordance with Article 36, where the Directors have created different types of Participating Shares within each Fund, they may differentiate between the different types as to the amount (if any) of any dividend recommended in respect of each Fund. Details of such dividend policies in respect of any Fund or type of Participating Shares within a Fund will be set out in the Prospectus and/or applicable Supplement for that Fund. The Directors may from time to time if they think fit pay such interim dividends on Participating Shares of any Fund as appear to the Directors to be justified, and may specify a fixed date or dates of payment of dividend for a particular Fund or Funds (or types within such Fund(s)).
- (b) The dividend for any particular class of Participating Shares shall be payable only out of the profits available for distribution out of the Fund relating to that class of Participating Shares, which profits shall consist of (i) the net income (less expenditure) attributable to such Fund and standing to the credit of a revenue account of the relevant Fund; or (ii) the net income (less expenditure) and unrealised and realised gains (less unrealised and realised losses) attributable to such Fund and standing to the credit of a revenue account of the relevant Fund. For this purpose income shall include, without limitation, interest income and dividend income and realised gains or losses arising on the disposal of Investments. In addition, expenditure shall not be deemed to include any performance fee payable to the Manager in connection with the performance of the Company. The method to be adopted by a particular Fund will be disclosed in the Prospectus. Where net realised and unrealised gains are not distributed as dividends, they shall form part of the assets of that Fund.
169. The Directors may, with the sanction of a resolution in general meeting of the holders of Participating Shares of any Fund, distribute in kind among the Shareholders of that Fund by way of dividend or otherwise any of the assets of the relevant Fund provided that no distribution shall be made which would amount to a reduction of capital except in a manner allowed by law.
170. All Participating Shares shall unless otherwise determined by the Directors or by the terms of issue thereof rank for dividend as from the beginning of the accounting period in which they are issued.
171. Any resolution of the Directors declaring a dividend on the Participating Shares of any Fund and any resolution of the Directors for the payment of a fixed dividend on the date prescribed for the payment thereof may specify that the same shall be payable to the persons registered as the holders of Participating Shares of the Fund concerned at the Close of Business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed (or, as the case may be, that prescribed for payment of a fixed dividend), and thereupon the dividend shall be payable to them in accordance with their respective holdings

so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of Participating Shares of the relevant Fund.

172. The Company may transmit any dividend or other amount payable in respect of any Participating Share by electronic transfer to the account of the holder, or, in the case of joint holders, to the account of one of them to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission.
173. No dividend or other amount payable to any Shareholder shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a Participating Share into a separate account shall not constitute the Company a trustee in respect thereof. Any dividend unclaimed after six years from the date when it first became payable shall be forfeited to the relevant Fund automatically, without the necessity for any declaration or other action by the Company.
174. The Directors (or their agents) may:
- (a) deduct from any dividend payment (or other distribution) to a holder of Participating Shares all sums necessary; or
 - (b) compulsorily repurchase or redeem from a holder of Participating Shares' holding of Participating Shares, Participating Shares of such value as is necessary,
 - (c) to offset any liability to taxation or withholding tax arising as a result of the dividend payment to the relevant holder of Participating Shares.

No Member (other than a Director) shall have any right of inspecting any accounting record or document of the Company except as conferred by the Acts or authorised by the Directors or by the Company in general meeting.

178. A copy of every accounting record, financial statements of the Company and reports which are required by law to be laid before the Company in general meeting, together with the Auditor's and Depositary's report or summary financial statements prepared in accordance with section 1119 of the Act thereon shall not less than 21 days previous to the annual general meeting be served on every person entitled under the provisions of the Acts to receive them, provided however that where the Directors elect to send summary financial statements to the Members, any Member may request that he be sent a copy of the statutory financial statements of the Company. Such documents shall include all information required to be specified therein by the UCITS Rules.

179. The Company shall prepare an un-audited half yearly report for the first six months of each financial year. Such report shall be in a form approved by the Central Bank and shall contain the information required under the Act.
180. Copies of the half yearly report shall be sent to the Shareholders not later than two months from the end of the period to which it relates.
181. The Company shall provide the Central Bank with all reports and information to which it is entitled under the Act.

CAPITALISATION OF PROFITS

182. The Company in general meeting may upon the recommendation of the Directors resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserve) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividends on any Shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other, and the Directors shall give effect to such resolution.
183. Whenever such a resolution as aforesaid shall have been passed, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provision as they shall think fit for the case of Shares or debentures becoming distributable in fractions (and in particular, without prejudice to the generality of the foregoing, to sell the Shares or debentures represented by such fractions and distribute the net proceeds of such sale amongst the Members otherwise entitled to such fractions in due proportions) and also to authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for the allotment to them respectively credited as fully paid up of any further Shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing Shares and any agreement made under such authority shall be effective and binding on all such Members.

- (a) the fact of the publication of the notice on a website;
 - (b) the address of that website and, where necessary, the place on that website where the notice may be accessed and how it may be accessed; and

 - (i) that it concerns a notice of a meeting served in accordance with the Articles or by order of a court, as the case may be;
 - (ii) the place, date and time of the meeting;
 - (iii) whether the meeting is to be an annual general meeting or an extraordinary general meeting; and
 - (iv) the address of any other website (if such is the case) where procedures as to voting are stated or facilitated.
194. The notice shall be published on that website, in the case of a notice of meeting, throughout the period beginning with the giving of that notification and ending with the conclusion of the meeting, and in any other case for a period of not less than one month from the giving of the notification.
195. This Article shall be treated as being complied with, and, in the case of a meeting, nothing in Articles 193 and 194 above shall invalidate the proceedings of a meeting where:
- (a) any notice that is required to be published as mentioned in Article 194 is published for a part, but not all, of the period mentioned in that Article; and
 - (b) the failure to publish that notice throughout that period is attributable to circumstances which it would not be reasonable to have expected the Company to prevent or avoid, such as system, telecommunications or power outages.

WINDING UP

196. If the Company shall be wound up, its winding up shall be conducted by one or more liquidators appointed under Irish law. The liquidator shall apply the assets of the Company in such manner and order as he thinks fit in satisfaction of creditors' claims. Any dividends which are payable pursuant to Article 168 shall be paid to the relevant Shareholders prior to the commencement of the winding up of the Company.
197. Following deduction of the estimated expenses of the liquidation, the assets available for distribution among the Members shall then be applied in the following priority:

- (a) First, in the payment to the holders of the Participating Shares of each Fund of a sum in the currency in which that Fund is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such Fund held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payments to be made. In the event that, as regards any Fund, there are insufficient assets available in the relevant Fund to enable such payment to be made recourse shall be had to the assets of the Company not comprised within any of the Funds.
 - (b) Secondly, in the payment to the holders of the Management Shares of sums up to the nominal amount paid thereon out of the assets of the Company not comprised within any of the Funds remaining after any recourse thereto under paragraph 40.2(a) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.
 - (c) Thirdly, in the payment to the holders of each class of Participating Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares of that Fund held.
 - (d) Fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the number of Participating Shares held.
198. If the Company shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a special resolution and any other sanction required by the Acts, divide among the Members in specie the whole or any part of the assets of the Company, and whether or not the assets shall consist of property of a single kind and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Members. The liquidator may, with the like authority, vest any part of the assets in trustees on such trusts for the benefit of Members as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is any liability. For the avoidance of doubt, if the special resolution above is passed, each Member is entitled to elect on winding-up whether or not he wishes to receive a distribution in specie or a cash distribution made in accordance with the provisions of Article 197. However, in the absence of a Member electing to receive a distribution in specie on winding-up, such Member shall receive a cash distribution payment in accordance with the provisions of Article 197. Where the Company agrees to sell the assets, if requested by a Shareholder, the cost of such sale can be charged to the redeeming Shareholder.

INDEMNITY

199. Subject to the provisions of and insofar as may be permitted by the Acts, every Director, Secretary and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company and have priority as between the Members over all other claims.
200. The Depository and the Manager shall be entitled to such indemnity from the Company under such terms and subject to such conditions and exceptions and with such entitlement to

have recourse to the assets of the Company with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement and the Management Agreement.

RESERVES

201. The Directors may before declaring any dividends set aside out of the profits of the Company and carry to the credit of any reserve account such sums as they think proper, which shall, at the discretion of the Directors, be applicable for any purpose to which the profits or reserves may be properly applied and pending such application may at the like discretion either be employed in the business of the Company or be invested in such Investments as the Directors may from time to time think fit. The Directors may also carry forward to the accounts of the succeeding year or years any balance of profits which they shall think fit neither to divide nor to place to reserve.

DEALINGS BY THE MANAGER ETC.

202. Any person being the Manager, the Administrator, the Depositary and any associate of the Manager, the Administrator or the Depositary may:

 - (i) a certified valuation of such transaction by a person approved by the Depositary as independent and competent has been obtained; or
 - (ii) such transaction has been executed on best terms on an organised investment exchange under its rules; or
 - (iii) where (i) and (ii) are not practical, such transaction has been executed on terms which the Depositary is satisfied conform with the principle that such transactions be carried out as if effected on normal commercial terms negotiated at arm's length.

have been cancelled at any time after the expiration of one year from the date of cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other documents so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the Company. PROVIDED ALWAYS that:

- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

The Company may, by not less than four, nor more than twelve weeks' notice to all Members, repurchase at the Net Asset Value per Participating Share on such Dealing Day, all (but not some) of the Participating Shares in issue for any class of Participating Share or all classes of Participating Shares on such date in the following instances:-

- (a) if the Company or any Fund is no longer an authorised UCITS;
- (b) if any law is passed which renders it illegal or, in the reasonable opinion of the Directors it is impracticable or inadvisable, to continue the Company or any Fund;
- (c) if within a period of 120 days from the date on which the Depositary notifies the Company of its desire to retire in accordance with the terms of the Depositary Agreement, or from the date on which the appointment of the Depositary is terminated by the Company in accordance with the terms of the Depositary Agreement, or from the date on which the Depositary ceases to be qualified under Article 9 hereof, no new Depositary shall have been appointed;

provided that such repurchase does not result in the issued share capital being reduced to below the minimum amount permitted under the Acts.
