To the Shareholders of Findlay Park Funds p.l.c. (the “Company”)

Dear Shareholder

Re: Notice of the Company’s Annual General Meeting

Notice of an Annual General Meeting of the Company and Action Required

The Annual General Meeting (the “AGM”) of the Shareholders of the Company is to consider the resolutions outlined in the Notice of the AGM as attached at Appendix I and to vote on these resolutions. The resolutions include a proposal to convert the Company to an Irish Collective Asset-management Vehicle (“ICAV”).

Rationale and description of the amendments for the Conversion of the Company to an ICAV and the replacement of the Articles of Association

The Irish Collective Asset-management Vehicle Act 2015 (the “ICAV Act”) introduced a new corporate investment vehicle, the ICAV, and has been the corporate vehicle of choice for the majority of Irish funds since the ICAV Act was enacted. The ICAV offers a more cost and administratively efficient structure for investment funds and provides certain benefits that the current public limited company structure does not facilitate:

- I. a tailored structure for investment funds which means the ICAV is not subject to those aspects of company law which are irrelevant or inappropriate for funds and their investors; and
- II. the ability to dispense with the holding of an AGM which should result in a reduction in administrative obligations for the Company and Shareholders. Material changes to the investment policy of the Company or the Sub-Fund would still require Shareholder approval.

In order to take advantage of these benefits, it is proposed that the Company be converted from a public limited company to an ICAV pursuant to the ICAV Act by way of an application to the Central Bank of Ireland pursuant to Section 140 of the ICAV Act.

It is also proposed that the name of the Company be changed from Findlay Park Funds Public Limited Company to Findlay Park Funds ICAV to reflect the proposed conversion and that the Articles of Association be replaced by a new constitutional document, particular to an ICAV, called the Instrument of Incorporation, a copy of which is included at Appendix III.

It is important to note that the Company and its Sub-Fund will remain Undertakings for the Collective Investment in Transferable Securities (UCITS) and will continue to be subject to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended by the European Union (Undertakings for Collective Investment in Transferable Securities) (Amendment) Regulations 2016.

The Directors are of the opinion that the conversion of the Company to an ICAV and the proposed amendments to the Articles of Association set out below are in the best interests of the Company and Shareholders as a whole.

Pursuant to the ICAV Act, the conversion will be effected by way of a continuation and therefore it will not prejudice or affect the identity or continuity of the Company nor will it affect any contract made, resolution passed or any other act or thing done in relation to the Company. For the avoidance of doubt, there will be no change of legal entity.

Prospectus and Supplement updates

In addition, the Prospectus and the supplement to the Prospectus will be amended to reflect the conversion to an ICAV.

Voting by Proxy

The Form of Proxy accompanying the notice of the AGM of the Company is enclosed with this circular at Appendix II for use in relation to the AGM of the Company and should be completed and returned in accordance with the instructions thereon, so as to be received as soon as possible and in any event not later than 48 hours before the time fixed for the holding of the AGM or adjourned meeting.

We urge you to return the necessary documentation at your earliest convenience.

Effect of Approval

 - (4) The maximum fee that may be charged by the Manager or the Investment Manager

shall not be increased without approval of the Shareholders of the ICAV on the basis of a simple majority of votes cast in general meeting.

- (5) The ICAV shall provide Shareholders with reasonable notice in the event of an increase of the maximum fee that may be charged by the Manager or the Investment Manager. Notice given for this purpose must be sufficient to enable a Shareholder to redeem some or all of the Shareholder's Shares prior to the implementation of the proposed increase.

DEPOSITARY

6. Before issuing any Participating Shares the Directors shall appoint a Depositary approved by the Central Bank which shall be responsible for the safe keeping of all the assets of the ICAV and carry out the functions required of a trustee and depositary by the UCITS Rules, and perform such other duties upon such terms as the Directors may from time to time (with the agreement of the Depositary) determine. The remuneration of the Depositary shall be payable by the ICAV.
7.
 - (1) The Depositary shall be a company qualified to act as depositary of a UCITS pursuant to the UCITS Directive and the UCITS Rules, and which has the approval of the Central Bank.
 - (2) Notwithstanding the provisions of Article 7(1) the Depositary may with the consent of the Directors appoint any other person to hold as nominee for the Depositary any Investments which cannot conveniently be held by or in the name of the Depositary. The Depositary may upon the terms and conditions of the Depositary Agreement procure that Investments may be held by persons other than the Depositary.
8.
 - (1) In the event of the ICAV wishing to remove the Depositary or of the Depositary desiring to retire the Directors shall use their best endeavours to find a company willing to act as Depositary and having the qualifications referred to in Article 7 to act as Depositary and upon doing so the Directors shall appoint such company to be Depositary in place of the retiring Depositary. The appointment of the new Depositary must be approved by the Central Bank in advance.
 - (2) The current Depositary may not retire until a new Depositary (who has been approved in advance by the Central Bank) is appointed.
 - (3) Despite attempts by the ICAV to appoint a new Depositary, if no replacement for the current Depositary has been appointed in accordance with Regulation 32 of the Central Bank UCITS Regulations and (ii) the current Depositary is unwilling or unable to act as such, then:
 - (a) a general meeting will be convened at which an ordinary resolution, or such a resolution passed by such majority as is specified in this Instrument of Incorporation to wind up or otherwise dissolve the ICAV is so proposed; and
 - (b) the appointment of the current Depositary may be terminated only on the revocation of the authorisation of the ICAV.
 - (4) The ICAV may terminate the appointment of the Depositary only (i) upon the appointment of a new Depositary, or (ii) upon the revocation of the authorisation of the ICAV.

MANAGEMENT AND DEPOSITARY AGREEMENTS

9.
 - (1) The terms of any agreement entered into by the ICAV appointing any person to act as Manager or Depositary of the ICAV (other than the original agreements appointing

the first Manager or first Depositary entered into prior to the first issue of Participating Shares other than to the subscribers of the Instrument of Incorporation), and any variations made after the first issue of Participating Shares to any such agreement then in force, shall be subject to approval by a resolution passed by the majority of holders for the time being of the Participating Shares (or of any class thereof as the case may require) present or represented by proxy at a meeting of the holders of such Participating Shares.

- (2) Approval of an agreement referred to in Article 9(1) shall not be required where either:
 - (a) the terms of any new agreement entered into for the appointment of a new Manager or Depositary do not differ materially from those in force with the former Manager or Depositary on termination of its appointment; or
 - (b) the agreement relates to a variation to an existing agreement and the ICAV, the Manager and the Depositary each certify that any such variation:
 - (i) is required only to enable the affairs of the ICAV to be more conveniently or economically managed or otherwise to benefit the holders of Participating Shares;
 - (ii) will not prejudice the interests of the then existing holders of Participating Shares or any of them;
 - (iii) will not alter the fundamental provisions or objects of the agreement; and
 - (iv) will not operate to release the Manager or the Depositary from any responsibility to the ICAV.
- (3) The ICAV shall establish and implement procedures that are to be followed for the purpose of replacing the Manager or the Administrator. The procedures for the replacement of the Manager or the Administrator shall ensure the protection of Shareholders in the event of such replacement and shall be approved by the Board and shall be in accordance with the requirements of the Central Bank.
- (4) Any agreements between the ICAV and a Manager and Depositary and any amendments or variation thereto shall be in accordance with the requirements of the UCITS Rules.

SHARE CAPITAL

10.
 - (1) The maximum authorised share capital of the ICAV is €38,092.14 divided into 30,000 Management Shares of no par value (of which a currency equivalent of €1.269738 per share may be paid up) and 500,000,000 Participating Shares of no par value each having the rights provided for as hereinafter appearing.
 - (2) The total amount of the paid up share capital of the ICAV shall at all times be equal to the Net Asset Value of the ICAV.
11.
 - (1) Management Shares shall be issued of no par value (a currency equivalent of €1.269738 per share may be paid up).
 - (2) Management Shares shall have no entitlement to:
 - (a) a share of the Investments or relevant profits of the ICAV.
 - (b) receive a distribution from the assets or capital of a Fund.

- (c) vote at general meetings of the ICAV save as provided for in this Instrument of Incorporation.
 - (3) Any Management Shares which are not for the time being owned by Findlay Park Partners LLP or its nominees shall be subject to requisition under Article 78 hereof.
 - (4) The Management Shares may be redeemed at the option of the Directors at the value of the amount paid up.
- 12.
- (1) The Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to allot relevant securities within the meaning of section 1021 of the Act. The maximum amount of relevant securities which may be allotted under the authority hereby conferred shall be the number of authorised but unissued relevant securities in the capital of the ICAV from time to time and for the time being.
 - (2) Subject to the foregoing, the Shares shall be at the disposal of the Directors who may offer, allot or otherwise deal with or dispose of them to such persons at such times and on such terms as they think proper.
 - (3) The Directors may in their absolute discretion refuse to accept any application for Participating Shares in the ICAV or accept any application in whole or in part. In the case of any such refusal the relevant subscription monies shall be returned to the applicant without interest and at his own risk.
 - (4) The ICAV may on any issue of Participating Shares pay such brokerage as may be lawful.
 - (5) The Participating Shares of each Fund may be designated by the Directors as different types of Participating Shares within that particular Fund. The Directors have power to issue different types of Participating Shares in each Fund to investors. Details of the different types of Participating Shares to be created in a Fund must be notified in advance to the Central Bank and must be effected in accordance with the requirements of the Central Bank. For the avoidance of doubt "types" of Shares in a Fund may also be referred to as different "classes" of Shares throughout this Instrument of Incorporation and other documentation relating to the ICAV.
 - (6) The Directors may in their absolute discretion differentiate between the rights attaching to the different types of Participating Shares within a particular class including, without limitation, as regards the dividend policy, Base Currency and the level of fees payable in respect of each type. The Directors intend to create hedged and unhedged currency Participating Share types and any hedged currency Participating Share types created may not be leveraged. In addition, each type of Participating Share within a Fund may incur different subscription charges and/or redemption charges. The Directors may also specify how the Net Asset Value per Participating Share of such type is to be adjusted, taking into account such adjustments thereto as the Directors may determine with regard to the different types of Participating Shares within a particular Fund. Details of the different types of Participating Shares within a Fund and the different characteristics applicable to each will be set out in the Prospectus of the ICAV or applicable Supplemental Prospectus of that Fund.
 - (7) Where classes of Shares denominated in different currencies are created within a Fund and currency hedging transactions are entered into in order to hedge any relevant currency exposure, such transactions will be clearly attributable to a specific Share class and any costs and gains/losses of the hedging transactions will accrue solely to the relevant class of Shares. Furthermore, no currency Share class may be leveraged as a result of using such currency hedging transactions. Although not the intention, over-hedged or under-hedged positions may arise as a result of currency hedging at Share class level due to factors outside the control of the Investment Manager (or its delegate). However, hedged positions will be kept under review to ensure that over-

hedged positions will not exceed 105% of the Net Asset Value of the Share class and that positions in excess of 100% of the Net Asset Value of the Share class will not be carried forward from month to month. The costs and gains/losses of the hedging transactions will accrue solely to the relevant class of Shares. This strategy may substantially limit Shareholders of the class of Shares from benefiting if the class currency falls against the Base Currency and/or the currency in which the assets of a Fund are denominated.

- (8) Where a Shareholder switches from one Fund to another, Participating Shares will be issued as the relevant type of Participating Shares within that Fund.
13. No person shall be recognised by the ICAV as holding any Share upon any trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Share, or (except only as by this Instrument of Incorporation otherwise provided or as by law required) any other right in respect of any Share except an absolute right to the entirety thereof in the registered holder.

ALLOTMENT OF PARTICIPATING SHARES

14. (1) Subject as hereinafter provided, the Directors are hereby generally and unconditionally authorised to exercise all the powers of the ICAV to allot Participating Shares in the ICAV within the meaning of section 38 of the Act.
- (2) No Participating Shares may be issued unless the equivalent of the full subscription Price is paid into the assets of the ICAV within a reasonable time.
- (3) Subject to Article 15(3) and except as otherwise agreed by the Directors and subject as hereinafter provided, the ICAV on receipt by it (or its authorised agents) up to the relevant time as may be set out in the Prospectus and/or applicable Supplement of:
- (a) an application for Participating Shares in such form as the Directors may from time to time determine; and
- (b) such relevant declarations as to status, residence and otherwise as the Directors may from time to time require;

may allot such Participating Shares on the next applicable Dealing Day for each such Participating Share at the Price calculated by reference to that Dealing Day in accordance with Article 15. If the application and/or declarations referred to in paragraphs (a) and (b) of this Article 14(3) are received after the relevant cut-off time for subscription requests (as set out in the Prospectus and/or applicable Supplement) the ICAV may treat such application as having been received on the next Business Day and may (if that Business Day is a Dealing Day) defer the allotment of such Participating Share until the next following Dealing Day after receipt of the application and/or declarations referred to in paragraphs (a) and (b) of this Article and the Price shall be determined accordingly as herein provided.

- (4) Subject as provided in Article 15(8), an application for Participating Shares shall not, without the consent of the ICAV be capable of being withdrawn once given.
15. (1) Without prejudice to the provisions of Article 15(3) the allotment of Participating Shares shall (unless the Directors otherwise agree) be made on condition that (unless settlement has already been effected) the applicant shall effect settlement within such period and in such currency or currencies as the Directors may determine to be appropriate to receive subscriptions and in the manner required by the Directors and that in the event of late settlement the applicant may be required to compensate the ICAV for the amount of any loss arising as a result thereof (as conclusively determined by the Directors) and in the event of the applicant failing to make settlement, within the relevant period specified by the Directors as set out in the

- Prospectus or relevant Supplement, for the allotment, such (provisional) allotment may be cancelled absolutely and the application refused or alternatively the application may be treated as an application for such number of Participating Shares as may be purchased or subscribed for with such payment as has been made.
- (2) The ICAV may (at the option of the Directors) satisfy any application for the allotment of Participating Shares by procuring the transfer to the applicant of fully-paid Participating Shares at a price per share equivalent to the relevant Price per share as determined hereunder. In any such case, references in this Instrument of Incorporation to allotting Participating Shares shall where appropriate be taken as references to procuring the transfer of Participating Shares.
 - (3) The terms on which and the price per Participating Share at which the first allotment of Participating Shares of any class (other than to the subscribers of the Instrument of Incorporation) shall be effected and the time of such issue shall be determined by the Directors.
 - (4) Any subsequent allotment of Participating Shares of any class shall be made on any Dealing Day at the Price per Participating Share of the relevant class. The Price will be calculated by:-
 - (a) ascertaining the Net Asset Value of the Fund to which the Participating Shares or, if relevant, that portion of the Fund to which Participating Shares of a particular type are attributable in either case;
 - (b) dividing the aggregate of the amount calculated under (a) above by the number of Participating Shares of the relevant class then in issue; and
 - (c) rounding the resulting amount mathematically to two decimal places.
 - (5) The Directors may in their absolute discretion, require any persons to whom any class of Participating Shares are to be allotted to pay to the ICAV or to any duly authorised agent of the ICAV for its absolute use and benefit, transaction charges at a rate to be determined by the Directors by reference to the aggregate amount subscribed but not exceeding, in aggregate, an amount equal to 5% of the amount subscribed. The Directors may differentiate between any applicants and between classes of Participating Shares (and types of Shares within that class) as to the amount of such transaction charges within the permitted limit.
 - (6) Where there are net subscriptions on any Dealing Day, the Directors may also require any persons to whom Participating Shares are to be allotted to pay to the ICAV such sum as the Directors may consider appropriate to protect the interests of all Shareholders against the dilution in value of the relevant Fund on account of the costs associated with the acquisition of assets;
 - (7) A swing-pricing mechanism to counter the dilution of a Fund's assets and protect Shareholders from the impact of transaction costs arising from subscription and redemption activity may also be employed by the ICAV and/or one or more Funds, the details of which will be set out in the Prospectus or applicable Supplement.
 - (8) If the Directors and the Depositary shall be satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to existing Shareholders, the Directors may in their absolute discretion allot Participating Shares on terms providing for settlement to be made by the vesting in the Depositary on behalf of the ICAV of any securities, bonds or other assets of whatsoever nature and wheresoever situate that may be acquired by the ICAV in conformity with the UCITS Rules and the investment policy of the ICAV as determined from time to time by the Directors, and in connection therewith the following provisions shall apply:
 - (a) for the avoidance of doubt, in determining the number of Participating Shares

to be issued in exchange for the vesting in the Depositary on behalf of the ICAV of securities, bonds or other assets, the Price for such Participating Shares shall be determined in accordance with Article 15(4);

- (b) the number of Participating Shares to be allotted shall be not more than that number which would have fallen to be allotted for settlement in cash against the payment of a sum equal to the value at the Valuation Point for the relevant Dealing Day of the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the ICAV as determined by the Directors in accordance with paragraph (d) below;
 - (c) the Directors may provide that the whole or any part of the Duties and Charges arising in connection with the vesting of the securities, bonds or other assets in the Depositary on behalf of the ICAV shall be paid by the ICAV or by the person to whom the Participating Shares are to be allotted or partly by the ICAV and partly by such person;
 - (d) the value of the securities, bonds or other assets to be vested in the Depositary on behalf of the ICAV shall be determined by the Directors on the same basis as that provided for in Article 48 hereof; and
 - (e) the Directors may require that the person to whom the Participating Shares are to be allotted shall warrant to the ICAV that the securities, bonds or other assets, as the case may be, to be vested in the Depositary on behalf of the ICAV are the absolute beneficial property of that person and are not the subject of any assignment, charge, lien, encumbrance, equity, licence, user or other agreement, right or claim whatsoever and all of the same are valid, subsisting and not subject to revocation or cancellation. The Directors shall further require that person to deliver to the Depositary or its nominee, bonds or other assets title to which is capable of transfer by delivery and otherwise to execute such documents and take such other steps (or procure the necessary parties to do so) as shall be required by the Directors for vesting the securities, bonds or other assets in the Depositary on behalf of the ICAV. Such securities, bonds or other assets so accepted must be consistent with the investment objective and policy of the relevant Fund.
- (9) The following provisions shall apply in connection with the issue of Participating Shares pursuant to Article 15(4) - (7):
- (a) no Participating Shares shall be allotted on a Dealing Day (except those for which applications had been previously received and accepted by the ICAV) during any periods when the issue or the redemption of Participating Shares is suspended pursuant to Article 62 hereof. Unless withdrawn prior to the expiry of the period of suspension referred to in the preceding sentence, applications will be considered on the Dealing Day immediately following the day on which such suspension is lifted. Any such withdrawal shall be made in writing and shall not be effective until it has actually been received by the ICAV (or its authorised agent);
 - (b) the Directors may issue Participating Shares on terms that the person to whom they are issued shall bear any Duties and Charges which may be incurred outside Ireland;
 - (c) where any subscription moneys are not an exact multiple of the Price per Participating Share of the class applied for a fraction of a Participating Share may be issued at the discretion of the Directors up to three decimal places;
 - (d) the Directors shall have power to impose such restrictions as they may think necessary for the purpose of ensuring that save as permitted by any relevant

foreign law no Participating Shares in the ICAV are acquired or held by any person in breach of the laws or requirements of any country or governmental authority; and

- (e) for the purposes hereof Participating Shares which have been allotted shall be deemed to come into issue at the Close of Business on the relevant Subscription Day in respect of such allotment.

 - (a) a request in such form as the Directors may from time to time determine (hereinafter in this Article called a “**Redemption Request**”) for the redemption of all or any portion of the Participating Shares of a class held by a Shareholder (hereinafter in this Article called the “**Applicant**”); and
 - (b) such evidence as to title to the Participating Shares to be redeemed as the Directors may have made available to the Applicant upon his acquisition of the relevant Participating Shares to be redeemed;

- (a) where a Redemption Request is received after the relevant cut-off time for redemption requests (as set out in the Prospectus and/or applicable Supplement), the ICAV may treat such request as having been received in respect of the next following Dealing Day and the Price shall be determined accordingly as herein provided; and
- (b) at the request of the Applicant the Directors may but shall not be bound to redeem such Participating Shares on the next Dealing Day;

 - (ii) if settlement is postponed pursuant to sub-paragraph (i) above the Proceeds will be deposited by the ICAV in a bank for payment to the Applicant against surrender of the Contract Note or other evidence as to title representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require;
 - (iii) upon the deposit of the Proceeds in a bank, pursuant to sub-paragraph (ii) above the Applicant shall have no further interest in any of the Participating Shares comprised in the Redemption Request or any claim against the ICAV in respect thereof except the right to receive

the Proceeds so deposited (without interest) upon surrender of the Contract Note or other evidence as to title;

- (d) the Directors may at their option dispense with the production of any Contract Note or other evidence as to title which shall have become defaced lost or destroyed upon compliance by the Applicant with the like requirements to those applying in the case of an application by him for replacement of a defaced lost or destroyed Contract Note or other evidence as to title under Article 72.
- (2) Subject as hereinafter provided, the Applicant shall not without the consent of the ICAV be entitled to withdraw his Redemption Request once given or his Contract Note or other evidence as to title.
- (3) On any Dealing Day the issue, conversion and redemption of Participating Shares are suspended pursuant to Article 62 hereof the right of the Applicant to have such Participating Shares redeemed pursuant to Article 16 on that Dealing Day shall be similarly suspended and on any Dealing Day on which the Applicant's right to have them redeemed is so suspended he may withdraw his Redemption Request and his Contract Note or other evidence as to title. Any such withdrawal under the provisions of this Article shall be made in writing and shall not be effective until it has actually been received by the ICAV (or its authorised agent). If no such withdrawal is made, the day on which the redemption of such Participating Shares shall be effected shall be the Dealing Day immediately following the day on which such suspension is lifted.
- (4) The redemption of Participating Shares shall be made on terms that (subject to any requisite official consents first having been obtained) the ICAV or its authorised agent shall effect settlement of the Proceeds:

 - (ii) within 10 Business Days of the relevant Dealing Day on which the redemption took place; and
 - (iii) in accordance with any payment instructions given by the Applicant to the ICAV or its authorised agent at the time of submitting the Redemption Request provided that the Directors are satisfied that there is no practical or legal impediment to the implementation of such instructions. If the Directors are not so satisfied or no payment instructions have been given as aforesaid, settlement shall be effected (subject to any requisite official consents first having been obtained) in such manner as the Directors may deem appropriate.
- (5) The ICAV shall not be liable for any loss or damage suffered or incurred by any Applicant or any other person as a result of or arising out of late settlement howsoever such loss or damage may arise.
- (6) Unless a lower number of Participating Shares is specified in the Redemption Request, the Redemption Request will be taken to apply to all the Participating Shares held by the Applicant or represented by the appropriate Contract Note.
- (7) On the redemption of part only of the Participating Shares referred to in any Contract Note the Directors shall procure the issue of a further Contract Note in respect of such Participating Shares or such other evidence as to title as the Applicant may agree with the Directors to be sent to the Applicant.
- (8) (i) Subject to the provisions of this paragraph but notwithstanding any provision

of this Instrument of Incorporation the ICAV may limit the number of Participating Shares to be redeemed on any one Dealing Day to 10% of the Net Asset Value of the applicable Fund.

- (ii) If the ICAV shall receive requests for redemption on any Dealing Day of Participating Shares in respect of a Fund of a value greater than that provided for in paragraph (8)(i) of this Article, the ICAV may refuse to redeem any Participating Shares in excess of 10% of the total number of Participating Shares in the applicable Fund or such higher percentage that the ICAV may determine. The ICAV shall carry forward for redemption or purchase on the next Dealing Day the balance of each request on a pro rata basis and so on to each succeeding Dealing Day until each request has been complied with in full.
 - (iii) Any requests for redemption which have been carried forward from an earlier Dealing Day pursuant to paragraph (8)(ii) of this Article shall (subject to the foregoing limits) be complied with on a pro rata basis with later requests on each subsequent Dealing Day until all of the Participating Shares to which the original request related have been redeemed.
- (9) The redemption proceeds due to the Shareholder may be satisfied by the ICAV paying cash or, provided that the Directors or the Manager are satisfied that the terms of any exchange shall not be such as are likely to result in any material prejudice to any remaining Shareholders and with the agreement of the relevant Shareholder, making an *in specie* distribution, on such terms and conditions as the Directors and the Manager may specify, to such Shareholder of Investments equalling the aggregate redemption proceeds (or together with any such cash payment when aggregated with the value of the Investments being distributed as are equal to such redemption proceeds).
- (10) In the event that the redemption proceeds payable amount to more than 5 per cent. of the Net Asset Value of the relevant Fund, the ICAV shall have the power to divide in specie the whole or any part of the assets of that Fund and to elect by notice in writing to the Shareholder to appropriate and transfer to him such assets in satisfaction or part satisfaction of his redemption request. No such distribution shall cause any material prejudice to the interest of the remaining Shareholders. Subject to compliance with the requirements set out in the Prospectus, a Shareholder may require the ICAV instead to arrange for a sale of the assets and for payment to the Shareholder of the net proceeds of sale.
- (11) Where redemption of Participating Shares is to be satisfied by an *in specie* distribution of Investments held by the ICAV, the Depositary shall transfer such Investments as the Manager shall direct to the Shareholder as soon as practicable after the relevant Dealing Day. All costs and risks of such distribution shall be borne by such Shareholders.
- (12) Shares redeemed shall be deemed to cease to be in issue at the Close of Business on the relevant Dealing Day in respect of the redemption and such redeemed Shares shall be cancelled.
- (13) For the avoidance of doubt, the purchase/cross investment by a Fund in respect of Participating Shares in other Funds of the ICAV shall not result in those Participating Shares being cancelled, repurchased or redeemed.

REDEMPTION PRICE

17. (1) The redemption of Participating Shares of any class shall be made at the Price per Participating Share of that class calculated by the Administrator in accordance with Article 17(4).

- (2) Upon the redemption of a Participating Share being effected pursuant to this Instrument of Incorporation, the Shareholder shall cease to be entitled to any rights in respect thereof and accordingly his name shall be removed from the Register with respect thereto and the Participating Share shall be cancelled and the amount of the ICAV's issued share capital shall be reduced accordingly. The Participating Share shall be available for re- issue and until re-issue shall form part of the unissued share capital of the ICAV.
- (3) The Directors may, in their absolute discretion, require any Shareholders redeeming shares from the ICAV to pay to the ICAV or to any duly authorised agent of the ICAV for its absolute use and benefit, transaction charges at a rate to be determined by the Directors by reference to the aggregate amount redeemed but not exceeding an amount equal to 3% of the amount redeemed. Any such transaction charges shall be deducted from the redemption proceeds. The Directors may differentiate between any applicants and between classes of Participating Shares (and types of Shares within that class) as to the amount of such transaction charges within the permitted limit. The Directors shall not increase the maximum charge relating to the redemption or repurchase of Participating Shares without prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders or such other majority as is specified herein. In the event of an increase in the redemption or repurchase charge a reasonable notification period shall be provided to enable Shareholders redeem their Participating Shares prior to the implementation of the increase.
- (4) The redemption of Shares of any class shall be made at the Price per Share of that class calculated by the Administrator in the following manner:
 - (a) ascertaining the Net Asset Value of the appropriate Fund;
 - (b) deducting therefrom such sum as the Directors may consider appropriate to protect the interests of all Shareholders against dilution in value of the Fund on account of the costs associated with the redemption of assets (an Anti-Dilution Levy);
 - (c) dividing the aggregate of the amount calculated under (a) and (b) above by the number of Shares of the relevant class then in issue;
 - (d) making such adjustment as the Directors consider appropriate if in order to meet requests for redemption it is necessary to realise assets of the appropriate Fund immediately or to borrow money;
 - (e) rounding the resulting amount to two decimal places;
 - (f) at the Directors' discretion deducting therefrom a redemption charge which shall be determined by the Directors but which shall not exceed 3% of the relevant Price (without taking into account such redemption charge). The ICAV shall not increase the maximum charge relating to redemption of Shares without the prior approval of Shareholders given on the basis of a simple majority of votes cast in a general meeting or with the prior written approval of all Shareholders of the ICAV or the relevant Fund, as applicable. In the event of an increase in the redemption charge, a reasonable notification period must be provided by the ICAV to enable Shareholders redeem their Shares prior to the implementation of the increase.
- (5) Where there are net redemptions on any Dealing Day, the Directors may deduct from the redemption proceeds due to any Shareholder redeeming Shares from the ICAV, such sum as the Directors may consider appropriate to protect the interests of all Shareholders against dilution in value of the relevant Fund on account of the costs

associated with the redemption of assets.

- (6) A swing-pricing mechanism to counter the dilution of a Fund's assets and protect Shareholders from the impact of transaction costs arising from subscription and redemption activity may also be employed by the ICAV and/or one or more Funds, the details of which will be set out in the Prospectus or applicable Supplement.

COMPULSORY REDEMPTION

18. If on any Dealing Day falling after the first anniversary of the first issue of Participating Shares in a Fund: (i) the Net Asset Value of that Fund falls to a level that in the absolute discretion of the Directors makes the Fund cease to be economically viable; or (ii) for any other reason that the Directors determine, in their absolute discretion, is in the best interests of the Shareholders of a particular Fund, the Directors may by twenty-eight days' notice to holders of Participating Shares of the class attributable to such Fund redeem on the Dealing Day nominated in such notice, at the Price per Participating Share of the class concerned, all (but not some) of the Participating Shares of the class concerned not previously redeemed.
19. In the event of any redemption as set out in Article 18 taking place, the provisions of Article 17(2) and Article 17(4) shall apply as if such redemption had been made at the request of the holders of the Participating Shares in question.
20. With the sanction of a Special Resolution of the Shareholders of any Fund, the Directors may terminate such Fund and shall compulsorily redeem all (but not some) of the Participating Shares of that Fund at the relevant Price on the Dealing Day next following the passing of such Special Resolution or on such Dealing Day as the Directors may specify and notify to the Shareholders.
21. If all the Participating Shares of any class are to be redeemed or repurchased pursuant to Article 20 the Directors may, with the sanction of a Special Resolution of the holders of Participating Shares of that Fund, divide amongst the said holders *in specie* all or any part of the Assets of the relevant Fund. For the avoidance of doubt, if the Special Resolution above is passed, each said holder is entitled to elect on winding-up, whether or not he wishes to receive a distribution in specie or a cash distribution. In the absence of a holder of Participating Shares electing to receive a distribution in specie, such holder shall receive a cash distribution payment.
22. If any Participating Shares of any Fund are to be redeemed or repurchased as aforesaid and the whole or any part of the business or property of the ICAV attributable to the relevant Fund or any of the Assets of that Fund are proposed to be transferred or sold to another company or another Fund (hereinafter called "the Transferee") the Directors may, with the sanction of a Special Resolution of the holders of Participating Shares of that Fund conferring either a general authority on the Directors or an authority in respect of any particular arrangement receive in compensation or part compensation for the transfer or sale shares, units, policies or other like interest or property in or of the Transferee for distribution among the said holders, or may enter into any other arrangement whereby the said holders may in lieu of receiving cash or property or in addition thereto participate in the profits of or receive any other benefit from the Transferee. For the purpose of the foregoing "company" shall include a unit trust scheme.

QUALIFIED HOLDERS

23. If it shall come to the notice of the Directors that any Participating Shares are owned directly or beneficially by any person:
 - (a) in breach of any law or requirement of any country or governmental authority;
 - (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors and the Depositary; or

- (c) such that the status, standing or tax residence of the ICAV is or may be prejudiced or the ICAV may suffer any pecuniary disadvantage which it would not otherwise have suffered, then the ICAV may give notice to such person requiring him to transfer such Participating Shares to a person who is qualified or entitled to own the same or give a request in writing for the redemption of such Participating Shares in accordance with Article 16. If any person upon whom such a notice is served pursuant to this paragraph does not within thirty days after service of such notice transfer his Participating Shares or give an irrevocable request in writing to redeem his Participating Shares or establish to the satisfaction of the ICAV (whose judgment shall be final and binding) that he is qualified, entitled and permitted to own the Participating Shares, he shall be deemed upon the expiration of thirty days to have given a request in writing for the redemption of all his Participating Shares pursuant to Article 16 whereupon he shall be bound forthwith to deliver to the ICAV (or its duly authorised agent) the Contract Note in respect of such Participating Shares or such other evidence as to title as the Directors may require.
24. A person who becomes aware that he is holding or owning Participating Shares within any of the categories referred to in Article 23 above shall forthwith unless he has already received a notice pursuant to Article 23 above either transfer all his Participating Shares to a person qualified or permitted to own the same or give a request in writing for the redemption of all his Participating Shares pursuant to Article 16.
25. The proceeds of any redemption effected pursuant to this Article will be deposited by the ICAV in a bank for payment to any such person against surrender of the Contract Note representing the Participating Shares previously held by such person or the furnishing of such other evidence as to title as the Directors may require. Upon the deposit of such proceeds of redemption as aforesaid, such person shall have no further interest in such Participating Shares or any claim against the ICAV in respect thereof except the right to receive the proceeds of redemption so deposited (without interest) upon surrender of the said Contract Note or other evidence as to title.
26. The exercise by the ICAV of the power conferred by this Article shall not be questioned or invalidated in any case on the ground that there was insufficient evidence of ownership of Participating Shares by any person or that the true ownership of any Participating Shares was otherwise than appeared to the ICAV at the relevant date provided the said powers shall have been exercised in good faith.
27. The Directors may at any time and from time to time call upon any holder of Participating Shares by notice in writing to provide the Directors with such information and evidence as they shall require upon any matter connected with or in relation to such holder of Participating Shares in order to satisfy themselves that Participating Shares are not owned directly or beneficially by any person:
- (a) in breach of any law or requirement of any country or governmental authority;
- (b) who belongs to or is comprised in any class of persons from time to time for the purposes of this Article determined by the Directors; or
- (c) such that the status, standing or tax residence of the ICAV is or may be prejudiced or the ICAV may suffer any pecuniary disadvantage which it would not otherwise have suffered as a result of that person continuing to own Participating Shares.
28. If such information and evidence is not so provided within a reasonable time (not being more than five days after service of the notice requiring the same) the Directors shall forthwith serve such holder of Participating Shares with a further notice calling upon him, within seven days after service of such further notice, to transfer his Participating Shares or to request the redemption of such Participating Shares in accordance with Article 16 and, failing action by him within such seven days to implement that notice, he shall be deemed to have given a

request in writing for the redemption of all his Participating Shares in accordance with Article 16, whereupon he shall be bound forthwith to deliver to the ICAV or one of its duly authorised agents the Contract Note for his Participating Shares or such other evidence as to title as the Directors may require and until such time as the Contract Note or such other evidence as to title as the Directors may require as aforesaid is received by the ICAV or one of its duly authorised agents the proceeds of any such redemption shall be deposited by the ICAV in a bank in accordance with Article 25 hereof.

29. If the ICAV becomes liable to account for tax in any jurisdiction in the event that a holder or beneficial owner of a Participating Share were to receive a distribution in respect of his/her Participating Shares or to dispose (or be deemed to have disposed) of his/her Participating Shares in any way (a "Chargeable Event"), the Directors or their agent shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate, cancel or compulsorily repurchase such number of Participating Shares held by the holder or such beneficial owner of the Participating Shares as are required to meet the amount of tax. The relevant holder of Participating Shares shall indemnify and keep the ICAV indemnified against loss arising to the ICAV by reason of the ICAV becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation, cancellation or compulsory repurchase has been made.

CONVERSIONS

30. The Directors may, in their absolute discretion, determine that a holder of Participating Shares of any Fund (hereinafter in this Article called the "**Original Fund**") may, with the consent of the ICAV, have the right to convert all or any portion of such Participating Shares comprised in one or more Written Confirmations of Entry into Participating Shares of another Fund (hereinafter in this Article called the "**New Fund**") either existing or agreed by the Directors to be brought into existence. If the Directors determine that Shareholders in a Fund may have such a conversion right, this will be noted in the Prospectus or Supplement for the relevant Fund. Should such a right exist, it may be exercised on the following terms:-
31. The right of conversion is exercisable by the said holder (hereinafter in this Article called the "**Applicant**") giving to the ICAV (or one of its authorised agents) a notice (hereinafter in this Article called a "**Conversion Notice**") in such form as the Directors may from time to time determine.
32. Subject to the receipt by the ICAV (or one of its authorised agents) of a Conversion Notice prior to the relevant dealing cut-off time as set out in the Prospectus or the applicable Supplement on which the conversion is to be effected (or such other time as the Directors may determine in any specific case) the conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the next following Dealing Day. Conversion Notices not received prior to the relevant cut-off time may, at the discretion of the Directors, be held over and applied at the next following Dealing Day.
33. The Applicant shall not without the consent of the ICAV be entitled to withdraw a Conversion Notice given in accordance with this Article except in any circumstances in which if it were a Redemption Request he would be entitled to withdraw it in accordance with Article 16(3) hereof and any such withdrawal shall only be effective if made in compliance with the same requirements as to writing and actual receipt as are imposed by the said Article 16(3).
34. Conversion of the Participating Shares comprised in the Conversion Notice shall be effected on the relevant Dealing Day by the redemption of the Participating Shares of the Original Fund and the allotment and issue of Participating Shares of the New Fund in proportion to (or as nearly as possible in proportion to) the holding of the Participating Shares of the Original Fund and where conversion is effected in accordance with this Article the number of Participating Shares of the New Fund to be allotted and issued shall be determined in accordance with the following provisions of this Article provided that the right of conversion shall be conditional upon the ICAV having sufficient available unissued share capital to enable the conversion to

be implemented in the manner determined by the Directors as aforesaid.

35. The number of Participating Shares of the New Fund to be allotted and issued on conversion shall be determined by the Directors in accordance with the following formula:

$$\text{NSH} = \frac{\text{OSH} \times \text{OP}}{\text{NP}}$$

where

NSH is the number of Participating Shares of the New Fund;

OSH is the number of Participating Shares of the Original Fund specified in the Conversion Notice;

OP is the price of a Participating Share of the Original Fund calculated in accordance with Article 17 hereof by reference to the relevant Dealing Day;

NP is the price of a Participating Share of the New Fund calculated in accordance with Article 15 hereof by reference to the relevant Dealing Day.

36. Fractions of Participating Shares of the New Fund may not be allotted on conversion and any monies which would provide an entitlement to only a fraction of a Participating Share of the New Fund shall be returned to the Applicant.
37. On the relevant Business Day the Manager shall debit the Fund attributable to Participating Shares of the Original Fund with an amount equal to $\text{OSH} \times \text{OP}$ and shall credit the Fund attributable to Participating Shares of the New Fund with the appropriate amount in the currency in which the New Fund is designated.
38. No Contract Note in respect of Participating Shares of the New Fund allotted on conversion shall be issued until the ICAV (or its authorised agent) has received the Contract Note representing the relevant number of Participating Shares of the Original Fund so converted with the Conversion Notice on the reverse thereof duly completed and signed or shall have received such other evidence as to title as the Directors may require together with a Conversion Notice in a form acceptable to the Directors.
39. Where a Shareholder converts from the Original Fund to the New Fund and the Participating Shares in the New Fund are designated as Shares of different types in accordance with Article 13(5), Participating Shares in the New Fund will be issued as Shares of the relevant type, as applicable (whether or not the Participating Shares in the Original Fund were designated as Shares of different types in accordance with Article 12(5)). Where the Participating Shares of the Original Fund are designated as Shares of different types in accordance with Article 12(5), and the Shareholder converts to a New Fund (the Participating Shares of which are not designated as Shares of different types in accordance with Article 12(5)) the Participating Shares will be issued of the single type in the New Fund.
40. Where more than one type of Participating Shares in a Fund is in issue, a Shareholder may also have the right, if provided for in the relevant Supplement, to convert all or any portion of such type of Participating Shares into Participating Shares of another type within the same Fund and the procedures contained in Articles 30-39 shall, to the extent that they are applicable, equally apply to any such conversion.

CLASSES OF PARTICIPATING SHARES

41. (1) Each Participating Share shall be issued as a member of a particular Fund. Details of the Funds established shall be contained in the Prospectus. Each Fund shall be designated in such currency as the Directors may determine.
- (2) The Directors of the ICAV shall have discretion, subject to the approval of the

- Central Bank, to change the name of any Fund without the requirement of Shareholder approval.
42. The Directors shall obtain the prior approval of the Central Bank before establishing any additional Funds.
43. The Directors shall establish and maintain separate Funds and shall have power by resolution of the Board of Directors to adopt for any Fund such investment restrictions as they shall in their discretion deem necessary or appropriate.
44. The Directors shall establish and maintain separate records and accounts in respect of each Fund.
45. The following provisions shall apply to each Fund:
- (a) the proceeds from the allotment and issue of each Fund shall be applied in the books and records of the ICAV to the Fund established for Participating Shares of that Fund and the assets less the liabilities plus income less expenditure attributable thereto shall be applied to such Fund;
 - (b) where any asset is derived from another asset (whether cash or otherwise) such derivative asset shall be applied in the books of the ICAV to the same Fund as the asset from which it was derived and on each revaluation of an asset the increase or decrease in value shall be applied to or deducted from the relevant Fund;
 - (c) the Directors shall have discretion subject to the approval of the Depositary, to determine the bases upon which any asset or liability which they do not consider attributable to a particular Fund (which in the case of a liability, without limitation, may include all operating expenses of the ICAV such as audit fees, legal fees, registration fees, the costs of publication and distribution of prospectuses and the costs of calculation and publication of share prices) shall be allocated between Funds (including conditions as to subsequent re-allocations if circumstances so require) and shall have power at any time and from time to time to vary such bases provided that the approval of the Depositary shall not be required in any case where such an asset or liability is allocated between all Funds pro rata according to the Net Asset Value of each at the time when such allocation was made;
 - (d) save as otherwise provided herein the assets, liabilities and income of each Fund shall be applied solely in the currency or currencies or to the type or class of investments specified by the Directors for each particular Fund and the assets so held in or for each Fund shall be applied solely in respect of Participating Shares of the class to which such Fund relates; and
 - (e) subject to the approval of the Depositary, the Directors may transfer any assets to and from Funds if, as a result of a creditor proceeding against certain of the assets of the ICAV or otherwise a liability would be borne in a different manner from that in which it would have been borne under paragraph (c) above or in any similar circumstances.
46. The Net Asset Value of each Fund shall be determined separately on each Business Day and the Prices of Participating Shares of each class shall be calculated as hereinbefore provided based on the Net Asset Value of the Fund to which such Participating Shares are attributable.
47. The assets and liabilities of each Fund shall belong exclusively to such Fund to which they are attributable. Such assets shall be segregated in the books and records of the ICAV from the assets of all other Funds and shall not be allocated, nor shall they be pooled with the assets of any other Fund, to discharge directly or indirectly the liabilities or any claim against any other such Fund and shall not be available for any such purpose.

VALUATIONS OF FUNDS

In circumstances where the ICAV has appointed a company to act as manager of the ICAV, references to "Directors" in this "VALUATIONS OF FUNDS" section shall be construed as a reference to the Manager.

48. The Net Asset Value of each Fund will be calculated by the Administrator as at the relevant Valuation Point for each Fund. The Valuation Point for new Funds will be decided by the Directors at the time of the creation of the Fund. The Net Asset Value for Participating Shares in each Fund is calculated by the Administrator determining the value of the assets and accrued income, and deducting all the liabilities. The Net Asset Value is then divided by the number of Participating Shares in issue to give the Net Asset Value per Participating Share for each Participating Share of that Fund.
49. The Net Asset Value of a type of Participating Shares within the Fund shall be calculated as follows:
 - (a) by determining the allocation ratios for each type of Participating Shares which shall be done by dividing the figure calculated in (i) below for each type of Participating Shares by the figure calculated in (ii) below:-
 - (i) adding the Net Asset Value of each type of Participating Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscriptions/redemptions placed as of the previous Valuation Point) for the current Valuation Point for each type of Participating Shares.
 - (ii) adding the total of the Net Asset Values for all types of Participating Shares for the previous Valuation Point and the value of Shareholder activity (i.e. net subscriptions/redemptions placed as of the previous Valuation Point) for the current Valuation Point for all types of Participating Shares.
 - (b) allocating the Fund's income, expenses and realised and unrealised gains and losses accrued for the current Valuation Point to each type of Participating Shares with the amount to be allocated being calculated by multiplying the aggregate of such accrued amounts by the ratios determined in (a) above;
 - (c) adding the figures from (b) as allocated for each type of Participating Shares to the expenses accrued, distributions declared and the value of Shareholder activity (i.e. net subscriptions/redemptions) for the current Valuation Point which are solely attributable to each specific type of Participating Shares. An expense will be attributed to a specific type of Participating Shares which is specifically attributable to that type;
 - (d) adding the results of (c) for each type of Participating Shares to the Net Asset Value of the previous Valuation Point of the respective type of Participating Shares.
50. The Net Asset Value of any type of Participating Shares within a Fund will be determined as at the Valuation Point by deducting that type's pro rata share of the liabilities of that Fund plus other applicable liabilities/expenses of such type from that type's pro rata share of the assets of that Fund, in all cases in accordance with the terms of this Instrument of Incorporation.
51. The Net Asset Value of a type of Participating Shares within a Fund shall be expressed in the base currency for that type (translated where necessary at such reasonable rate of exchange as the Manager deems fit).
52. The Net Asset Value of a Participating Share attributable to a type shall be determined by dividing the Net Asset Value attributable to the relevant type by the number of Participating Shares in that type in issue and deemed to be in issue and rounding mathematically to the nearest two decimal places.

53. The calculation of Net Asset Value may also be adjusted to take account of any fiscal and brokerage charges.
54. For these purposes:- Value, except where otherwise expressly stated, means the Net Asset Value of a Fund, which shall be calculated by the Administrator as at the Valuation Point on each Dealing Day, by valuing the assets of the Fund in accordance with paragraph 15.8 hereunder and deducting the liabilities of the Fund in accordance with paragraph 15.14(e).
55. The value of the assets shall be ascertained on the following basis:-
- (a) Deposits shall be valued at their principal amount plus accrued interest from the date on which same was acquired or made;
 - (b) The value of any Investment quoted, listed or normally dealt in, or under the rules of a Recognised Market is calculated by reference to the price appearing to the Administrator to be the last traded price or (if bid and offered quotations are made) the latest middle market quotation on such Recognised Market as at the Valuation Point provided that:
 - (i) if any Investment is quoted, listed or normally dealt in, on or under the rules of more than one Recognised Market, the Administrator shall adopt the price or, as the case may be, latest middle market quotation on the Recognised Market which, in its opinion, provides the main market for such Investment;
 - (ii) in the case of any Investment which is quoted, listed or normally dealt in, on or under the rules of a Recognised Market but in respect of which, for any reason, prices on the Recognised Market are unrepresentative or may not be available at any relevant time, the value thereof shall be assessed to be the probable redemption value estimated with care and in good faith by such competent person as may be appointed for such purpose by the Directors and approved for the purpose by the Depositary; and
 - (iii) the Administrator shall not be under any liability by reason of the fact that a value reasonably believed by it to be the last traded price or, as the case may be, latest available middle market quotation for the time being may be found not to be such;
 - (iv) there shall be taken into account interest on interest-bearing Investments up to the relevant Valuation Point unless such interest is included in the price or quotation referred to above; and
 - (v) any Investment quoted, listed or normally dealt with on a regulated market but acquired or traded at a premium or at a discount outside or off the relevant regulated market may be valued taking into account the level of premium or discount as at the date of valuation of the Investment with the approval of a competent person (approved for the purpose by the Depositary). The Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable redemption value of the security.
 - (c) The value of any Investment which is not quoted, listed or normally dealt in, on or under the rules of a Recognised Market shall be the value thereof as assessed to be the probable redemption value estimated with care and in good faith by such competent person as may be appointed by the Directors and approved for the purpose by the Depositary.
 - (d) The value of each unit or share in any collective investment undertaking which provides for the units or shares therein to be realised at the option of the holder out of the assets of that undertaking shall be the latest available Net Asset Value per unit or share or (if bid and offer prices are published) the latest available bid price.

- (e) Exchange traded futures and options contracts (including index futures) shall be valued at the settlement price as determined by the market in question. If such settlement price is not available, the value shall be the probable redemption value estimated with care and in good faith by the Directors or such other competent person approved for the purpose by the Depositary. Off-exchange derivative contracts shall be valued by the counterparty at least daily and the value of such contracts shall be the quotation from the counterparty. The valuation must be approved or verified at least weekly by a third party who is independent of the counterparty and who is approved for the purpose by the Depositary.
 - (f) Cash (in hand or on deposit) and similar property shall be valued at their face value (together with accrued interest) unless, in the opinion of the Administrator, any adjustment should be made.
 - (g) Forward foreign exchange contracts shall be valued by reference to the price at which a new forward contract of the same size and maturity could be undertaken. As foreign exchange hedging may be utilised for the benefit of a particular type of Participating Shares within a Fund, its costs and related liabilities and/or benefits shall be for the account of that Participating Share type only. Accordingly, such costs and related liabilities and/or benefits will be reflected in the Net Asset Value per Participating Share for Participating Shares of any such type.
56. Notwithstanding any of the foregoing sub-paragraphs, the Directors may with the approval of the Depositary adjust the value of any Investment quoted, listed or normally dealt in, or under the rules of a Recognised Market if having regard to currency, applicable rate of interest, maturity, marketability and/or other circumstances as they deem appropriate, they consider that such adjustment is required to reflect more fairly the value of such Investment.
57. If in the case of a particular asset, the value is not ascertainable as above provided or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant investment then in such case the method of valuation of the relevant investment shall be such as the Directors in their absolute discretion shall decide with the approval of the Depositary and the rationale/methodologies are clearly documented.
58. Notwithstanding the foregoing, where at the time of any valuation any asset of the Fund has been realised, or contracted to be realised, there shall be included in the assets of the Fund in place of such asset the net amount receivable by the Fund in respect thereof provided that if such amount is not known exactly then its value shall be the net amount estimated by the Directors as receivable by the Fund.
59. The pricing services, whether automated or not, of one or more third parties may be engaged to ascertain the value of any Investment.
60. For the purpose of valuing the ICAV's assets as aforesaid the Directors may rely upon the opinions of any person(s) who appear to them to be competent to value assets by reason of any appropriate professional qualification or of experience of any relevant market.
61. In calculating the Net Asset Value of a Fund as at any particular Valuation Point ("the Relevant Valuation Point"):-
- (a) every Participating Share issued prior to the Relevant Valuation Point and not cancelled shall be deemed to include the value of any cash or other property to be received in respect of each such Participating Share after deducting therefrom or providing thereout the transaction charge and adjustment (if any), and any moneys payable out of that Fund;
 - (b) where, in consequence of any notice or redemption request duly given, a redemption of that Fund by cancellation of Participating Shares has been or is to be effected prior

to the Relevant Valuation Point but payment in respect of such redemption has not been completed, the Participating Shares in question shall be deemed not to have been issued and any amount payable in cash or Investment out of that Fund in pursuance of such redemption shall be deducted;

- (c) where any Investment has been agreed to be acquired or realised but such acquisition or disposal has not been completed, such Investment shall be included or excluded and the gross acquisition or net disposal consideration excluded or included as the case may require as if such acquisition or disposal has been duly completed;
- (d) there shall be included in the assets an amount equal to all such costs, charges, fees and expenses as the Administrator may have determined to amortise, less the amount thereof which has previously been or is then to be written off;
- (e) the liabilities attributable to that Fund shall include (without limitation):-
 - (i) any amount of Investment Management charge, Depositary's remuneration and Administrator's remuneration (together with VAT if applicable) accrued up to the Relevant Valuation Point but remaining unpaid;
 - (ii) the amount of tax (if any) on capital gains or income accrued up to the end of the last accounting period but remaining unpaid;
 - (iii) the aggregate amount for the time being outstanding of any borrowing and the amount of any unpaid interest and expenses;
 - (iv) an amount equal to the value of any derivative instrument which is a negative amount;
 - (v) any other costs or expenses payable (including any regulatory fees payable to the Central Bank) but not paid which are expressly authorised by any of the provisions of this Instrument of Incorporation to be payable out of the Fund;
- (f) there shall be taken into account such sum (if any) as the Administrator estimates will fall to be paid or reclaimed in respect of taxation related to income and capital gains up to the Relevant Valuation Point;
- (g) liabilities shall (where appropriate) be treated as accruing from day today;
- (h) where the current price of an Investment is quoted "ex dividend" or interest, the amount of such dividend or interest if receivable by that Fund but not yet received, shall be taken into account; and
- (i) any value (whether of a liability or of an Investment, cash or other property) otherwise than in the base currency of that Fund shall be converted into such base currency at a rate (whether official or otherwise) which the Administrator shall deem appropriate in the circumstances having regard to any premium or discount which may be relevant and to the costs of exchange.

SUSPENSION OF ISSUES AND REDEMPTIONS

62. (1) The Directors may at any time declare a temporary suspension of issues, redemptions and conversions of Participating Shares or of any one or more classes of Participating Shares during:
- (a) any period when any of the principal markets or stock exchanges on which a substantial part of the investments of the relevant Fund are quoted is closed, otherwise than for ordinary holidays, or during which dealings thereon are

restricted or suspended;

- (b) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial part of the investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of the Shareholders in the relevant Fund or if in the opinion of the Directors the Net Asset Value of the relevant Fund cannot be fairly calculated; or
 - (c) any breakdown in the means of communication normally employed in determining the value of the investments of the relevant Fund or when for any reason the current prices on any market of a substantial part of the investments of the relevant Fund cannot be promptly and accurately ascertained;
- (2) Any suspension shall take effect on the day on which the declaration is made and thereafter there shall be no issues, redemptions or conversions of Participating Shares of the class or classes concerned until the Directors shall declare the suspension to be at an end. The Directors shall during the period of any suspension review the reasons for the suspension and declare the suspension at an end as soon as they and the Depositary consider that the reasons or conditions giving rise to the suspension have ceased to exist and no other reasons or conditions on foot of which a suspension might be declared shall exist. Where possible, the Directors shall take all reasonable steps to bring any period of suspension to an end as soon as possible.
 - (3) Any suspension shall be consistent with such official rules and regulations (if any) relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the ICAV and as shall be in effect at the time.
 - (4) To the extent not inconsistent with such official rules and regulations, the determination of the Directors pursuant to Article 62(2) shall be conclusive.
 - (5) Forthwith after the commencement of any suspension the Directors shall immediately and in any event within the same Business Day notify in writing the Central Bank, the Irish Stock Exchange (for each class of Shares admitted to the Official List of the Irish Stock Exchange) and the competent authorities in the Member States in which the ICAV markets its Participating Shares that such a suspension has been made. As soon as may be practicable after the commencement of any suspension, the Directors shall if possible cause a notice to be placed in such publication(s) as the ICAV has caused Prices to be published in during the preceding six months stating that such suspension has been made, and at the end of any period of suspension the Directors shall cause another notice to be placed in such publication(s) stating that the period of suspension has ended.
 - (6) Nothing herein shall prevent the ICAV, if the Directors (acting on the advice of the Manager) think fit, from agreeing, during the period of suspension, to issue or redeem or convert Participating Shares at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.
 - (7) Issues, redemptions and conversions of Participating Shares which have been subject to a suspension shall take place after such suspension has been declared to be at an end at a price to be calculated by reference to the first Dealing Day after the suspension has been declared to be at an end.

CALLS ON MANAGEMENT SHARES

- 63. The Directors may from time to time make calls upon any registered holder of Management Shares in respect of any moneys unpaid on his Management Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any Share shall be

payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each such registered holder shall (subject to being given at least fourteen days notice specifying the time or times and place of payment) pay to the ICAV at the time or times and place so specified the amount called on his Management Shares. A call may be payable by instalments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

64. The Directors may, if they think fit, receive from any registered holder of Management Shares willing to advance the same all or any part of the money uncalled and unpaid upon the Management Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Management Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the Shares in respect of which it has been received.

MODIFICATION OF RIGHTS

65. Whenever the capital of the ICAV is divided into different classes of Participating Shares the special rights attached to any class may (unless otherwise provided by the terms of issue of the Participating Shares of that class) be varied or abrogated either whilst the ICAV is a going concern or during or in contemplation of a winding up, with the consent in writing of the holders of three-fourths of the issued Participating Shares of the class, or with the sanction of a resolution passed at a separate meeting of the holders of the Participating Shares of the class by a majority of three-fourths of the votes cast at such a meeting, but not otherwise. To every such separate meeting all the provisions of the Act and this Instrument of Incorporation relating to the general meetings of the ICAV or to the proceedings thereat shall, *mutatis mutandis*, apply except that:

- (a) the necessary quorum shall be two persons (except where there are less than two Participating Shareholders in any class, when the quorum shall be one person) at least holding or representing by proxy one-third in nominal amount of the issued Participating Shares of the class (but so that if at any adjourned meeting of such Shareholders a quorum as above defined is not present, those Shareholders who are present shall be a quorum);
- (b) every Shareholder of the class shall on a poll have one vote for each Participating Share of the class held by him; and
- (c) any Member of the class present in person or by proxy may demand a poll.

66. The rights conferred upon the holders of any Participating Shares or class of Participating Shares issued with preferred, deferred or other special rights shall (unless otherwise expressly provided by the conditions of issue of such Participating Shares) not be deemed to be varied by the creation or issue of further Participating Shares ranking in any respect *pari passu* therewith.

CONFIRMATION OF ENTRY IN THE REGISTER

67. The ICAV shall maintain a Register in accordance with the Act. The Register shall be kept available for inspection by a person entitled to inspect it in accordance with the Act. The Register shall be kept at the Office or at such other place in Ireland as the Directors may determine, subject to the requirements of the Act. Every person whose name is entered as a Member in the Register shall be entitled without payment to a Contract Note which will constitute written confirmation from the ICAV as to his entry in the Register in respect of all his Shares of each class. It is not the intention of the Directors to issue share certificates.
68. Where a Member has transferred or redeemed part of the Shares comprised in his holding he

shall be entitled to a further Contract Note for the balance without charge.

69. Every Contract Note shall be issued within two Business Days after allotment or the lodgement with the ICAV of the transfer of the Shares, unless the conditions of issue of such Shares otherwise provide, and shall specify the number and class and distinguishing number (if any) of the Shares to which it relates.
70. If at any time all the issued Shares in the ICAV (or all the issued Shares therein of a particular class) rank pari passu for all purposes none of these Shares need thereafter have a distinguishing number so long as they rank pari passu for all purposes with all Shares of the same class for the time being issued.
71. The ICAV shall not be bound to register more than four persons as the joint holders of any Share or Shares and in the case of a Share held jointly by several persons, the ICAV shall not be bound to issue more than one Contract Note therefor, and delivery of a Contract Note for a Share to one of several joint holders shall be sufficient delivery to all.
72. If a Contract Note be defaced, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity as the Directors think fit. In case of loss or destruction, the Member to whom such renewed Contract Note is given shall also bear and pay to the ICAV all expenses incidental to the investigation by the ICAV of the evidence of such loss or destruction.

TRANSFER OF SHARES

73. All transfers of Shares shall be effected in accordance with the applicable requirements of the Act, by transfer in writing in any usual or common form or in any other form approved by the Directors but need not be under Seal. The transferring Member remains liable to the ICAV for all related fees or costs arising from the transfer.
74. The instrument of transfer of a Share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
75. The Directors may decline to register any transfer of Participating Shares in respect of which the ICAV has a lien or where the transfer would be in breach of the law or requirements mentioned in Article 15 hereof or where the transfer would result in Shares being acquired or held by or for the account of any person or persons in circumstances (whether directly or indirectly) which, in the opinion of the Directors, may result in regulatory, pecuniary, legal, taxation or material administrative disadvantage for the ICAV. Furthermore, the Directors may decline to register any transfer of Participating Shares if in consequence of such transfer the transferor or the transferee would hold a number of Shares less than the Minimum Holding. In addition, unless otherwise determined by the Directors, no issue or redemption of Shares shall be made or permitted which would result in the relevant investor holding less than the Minimum Holding, if any.
76. The Directors may also decline to register any transfer of Participating Shares unless the instrument of transfer is deposited at the ICAV's registered office or such other place as the Directors may reasonably require, accompanied by the Contract Note in respect of the Shares to which the transfer relates or such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer, and the instrument of transfer relates to Shares of one class only. Furthermore, the transferee must provide such information, representations and warranties to the ICAV as are required for an application for Participating Shares under Article 15.
77. If the Directors decline to register a transfer of any Participating Share they shall, within two months commencing with the date on which the transfer was lodged with received by the ICAV, send written notice of the refusal to register a transfer of shares to the transferee in

accordance with the section 43 of the Act. The Directors shall not be obliged to give notice to any person of a refusal to register a transfer where the giving of notice would be in contravention of any provision of law (including any law that is for the time being in force in a country or territory other than Ireland).

78. The Directors may at any time direct that any Management Shares not held by Findlay Park Partners LLP for the time being or its nominees shall be compulsorily purchased from the holder thereof at the price stated in paragraph (b) hereof in the following manner:
- (a) The Directors shall serve a notice (hereinafter called a **"Purchase Notice"**) upon the person appearing in the Register as the holder of the Management Shares to be purchased (the **"Vendor"**) specifying the Management Shares to be purchased as aforesaid, the price to be paid for such Shares, the person in whose favour such holder must execute a transfer of such Shares and the place at which the purchase price in respect of such Shares is payable. Any Purchase Notice may be served upon the Vendor by mailing the same in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the ICAV within 10 days from the date of the Purchase Notice a duly executed transfer of the shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (b) The price payable for each Management Share transferred pursuant to this Article shall be €1.269738 less the amount remaining to be paid up thereon.
 - (c) In the event of the Vendor failing to carry out the sale of any Management Shares which he shall have become bound to transfer as aforesaid, the Directors may authorise some person to execute a transfer of such Share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such Share, and may register the transferee or transferees as holder or holders thereof and thereupon the transferee or transferees shall become indefeasibly entitled thereto.
79. The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine, including pursuant to section 43(3) of the Act, PROVIDED ALWAYS that such registration shall not be suspended for more than 30 days in any year.

80. All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Directors may decline to register shall (except in any case of suspected fraud), at the discretion of the Directors, either be destroyed or returned to the person depositing the same.

TRANSMISSION OF SHARES

81. In case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or only surviving holder, shall be the only persons recognised by the ICAV as having title to his interest in the Share, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any Share solely or jointly held by him.
82. Any guardian of an infant Shareholder and any curator or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death or bankruptcy of a Shareholder shall upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the Participating Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Directors shall in either case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant Shareholder or by the deceased or bankrupt Shareholder before the death or bankruptcy or by the Shareholder under legal disability before such disability.

83. A person becoming entitled to a Share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other moneys payable or other advantages due on or in respect of the Share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the Shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

VARIATION OF SHARE CAPITAL

84. The ICAV may from time to time by Ordinary Resolution increase its capital by such number of Shares as the resolution shall prescribe.
85. In addition to any rights of the ICAV specifically conferred by this Instrument of Incorporation to reduce its share capital the ICAV may by Special Resolution from time to time reduce its share capital in any way, and in particular, without prejudice to the generality of the foregoing power may with or without extinguishing or reducing liability on any of its Shares:-
- (a) cancel any paid-up share capital which is lost or which is not represented by available assets; or
 - (b) pay off any paid-up share capital which is in excess of the requirements of the ICAV.
86. The ICAV may by Ordinary Resolution from time to time alter (without reducing it) its share capital by:
- (a) consolidating and dividing all or any of its share capital into a smaller number of Shares than its existing Shares;
 - (b) sub-dividing its Shares, or any of them, into a larger number of Shares than that fixed by its Instrument of Incorporation; or
 - (c) cancelling any Shares which, at the date of the passing of the Ordinary Resolution in that behalf have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the Shares so cancelled.
87. All new Shares shall be subject to the provisions of this Instrument of Incorporation with reference to transfer, transmission and otherwise.

GENERAL MEETINGS

88. The ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next.
89. The Directors may elect to dispense with the holding of an annual general meeting by giving sixty days' written notice to all of the Shareholders, which notice has effect for the year in which it is made and subsequent years. Where an election to dispense with the holding of an annual general meeting has effect for a year, the Auditor or one or more of the Shareholder(s) holding not less than 10% of the voting rights in the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.
90. All general meetings (other than annual general meetings) shall be called extraordinary general

meetings.

91. The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and, in such manner as provided by the Act.

NOTICES OF GENERAL MEETINGS

92. An annual general meeting and an extraordinary general meeting called for the passing of a Special Resolution shall be called by not less than twenty-one days' notice in writing, and all other extraordinary general meetings of the ICAV shall be called by not less than fourteen days' notice in writing. The notice shall be exclusive of the day on which it is served or deemed to be served and of the day for which it is given, and shall specify the place, the day and hour of meeting, and in case of special business the general nature of such business. The notice shall be given in the manner authorised by this Instrument of Incorporation to such persons as are under this Instrument of Incorporation entitled to receive such notices from the ICAV. A notice calling an annual general meeting shall specify the meeting as such and the notice convening a meeting to pass a Special Resolution shall specify the intention to propose the resolution as such.
93. A general meeting shall, notwithstanding that it is called by shorter notice than that specified in Article 92, be deemed to have been duly called if it is so agreed by the auditors and all the Members entitled to attend and vote thereat.
94. (1) Notices of meetings will be posted to Members of the particular class, who will not be required to lodge their certificates or may be sent by Electronic Means to such Electronic Address as may have been provided to the ICAV by that Member. In every notice calling a meeting of the ICAV, or of any class of Members of the ICAV, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote instead of him and that a proxy need not also be a Member. In every notice calling a meeting of the ICAV, or of any class of members of the ICAV, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend, speak and vote instead of him and that a proxy need not also be a Member.

(2) Where, by any provision contained in the Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the ICAV have resolved to submit it) unless notice of the intention to move it has been delivered to the ICAV not less than twenty-eight days (or such similar period as the Act permits) before the meeting at which it is moved, and the ICAV shall give to the Members notice of any such resolution as required in accordance with the provisions of the Act.
95. The accidental omission to give notice to or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any general meeting
96. Notice in writing of a general meeting of the ICAV is to be taken as given to a person in any case in which notice of the meeting is sent by Electronic Means to such electronic address as may have been provided to the ICAV by that person.

PROCEEDINGS AT GENERAL MEETINGS

97. All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting with the exception of the consideration of the ICAV's statutory financial statements and other documents required by law to be annexed to the statutory financial statements and the reports of the Directors and the report of the Auditors on these statements and the review of the Members of the ICAV's affairs, to declare dividends, the election of Directors and Auditors in the place of those retiring,

and subject to sections 380 and 382 to 385 of the Act, the appointment or re-appointment of the Auditors and the fixing of the remuneration of the Directors and of the Auditors.

98. No resolution shall be passed at any general meeting as a Special Resolution of the ICAV to alter the provisions contained in the Instrument of Incorporation of the ICAV or to alter or add to this Instrument of Incorporation except with the prior written approval of the Central Bank.
99. Subject to the provisions of Article 100 in respect of adjourned meetings, for all purposes the quorum for a general meeting shall be not less than two Members present in person or by proxy and entitled to vote.
100. If within half an hour from the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine and if at such adjourned meeting a quorum is not present within fifteen minutes from the time appointed for holding the meeting, the Members present shall be a quorum.
101. The Chairman (if any) or, if absent, the Deputy Chairman (if any) of the Board of Directors, or, failing him, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the ICAV, but if at any meeting neither the Chairman nor the Deputy Chairman nor such other Director be present within five minutes after the time appointed for holding the meeting, or if neither of them be willing to act as Chairman, the Directors present shall choose some Director present to be Chairman or if no Directors be present, or if all the Directors present decline to take the chair, the Members present (in person or by proxy) shall choose some Member present to be Chairman.
102. The Chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more seven clear days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
103. At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the Chairman or by at least three Members having the right to vote at the meeting or by a Member or Members representing not less than one tenth of the total voting rights of all the Members having the right to vote at the meeting.
104. Unless a poll is so demanded a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
105. The instrument appointing a proxy to vote at a Meeting shall be deemed also to confer authority to demand or join in demanding a poll, and for the purposes of the last preceding Article a demand by a person as a proxy for a Member shall be the same as a demand by the Member.
106. If a poll is duly demanded, it shall be taken in such manner and at such place as the Chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chairman may, in the event of a poll, appoint a scrutineer and may adjourn the meeting to some place

and time fixed by him for the purpose of declaring the result of the poll.

107. In the case of an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
108. A poll demanded on the election of a Chairman and a poll demanded on a question of adjournment shall be taken forthwith.
109. A poll demanded on any other question shall be taken at such time and place as the Chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
110. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded. A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.

VOTES OF MEMBERS

111. No Member shall, unless the Directors otherwise determine, be entitled to vote at any general meeting, either personally or by proxy, or to exercise any privileges as a Member unless all calls or other sums presently payable by him in respect of Shares in the ICAV of which he is the holder or one of the joint holders have been paid.
112. Each of the Management and Participating Shares entitles the holder to attend and vote at any general meeting PROVIDED THAT the holder of a Management Share shall not be entitled to exercise any voting rights in respect of any Management Share at any time that Participating Shares are held by more than one Member.
113. On a show of hands, every Member entitled to vote shall have one vote in respect of all the Shares held by that Member. On a poll, every Member entitled to vote shall have one vote in respect of each Participating and Management Share held by him.
114. Notwithstanding any other provision in this Instrument of Incorporation if the Directors so determine, no Member holding Participating Shares may exercise any votes attaching to those Participating Shares if the exercise of such votes would result in the total aggregate number of votes exercised by such Member exceeding twenty per cent of the total number of votes attaching to Participating Shares, which are in issue at the time of exercise of those votes, in the ICAV or in any Fund. Any resolution passed by the Members, which but for any breach by a Member of this Article would not have been passed, shall be deemed never to have been passed and to be null and void.
115. In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
116. A Member of unsound mind in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote whether on a show of hands or on a poll, by his said committee, receiver, guardian or other person in the nature of a committee, receiver, guardian appointed by such court and such committee, receiver, guardian or other person may on a poll vote by proxy, provided that such evidence as the Directors may require of the authority of the person claiming to vote shall have been deposited at the Office not less than forty-eight hours before the time for holding the meeting or adjourned meeting at which such person claims to vote.
117. No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.

118. On a poll votes may be given either personally or by proxy.
119. On a poll, a Member entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
120. The instrument appointing a proxy shall be in writing (in Electronic Form or otherwise) under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised.
121. Any person (whether a Member of the ICAV or not) may be appointed to act as proxy. A Member may appoint more than one proxy to attend on the same occasion.
122. The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarised certified copy of such power or authority, shall be deposited at the Office or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than two Business Days before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
123. An instrument of proxy shall be in the following form or such other form as the Directors may approve, provided always that the instrument appointing a proxy shall comply with the provisions of the Act:

124. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Share in respect of which the instrument of proxy is given, provided that no intimation in writing of such death insanity, revocation or transfer shall have been received by the ICAV

at the Office, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.

125. Any corporation which is a Member of the ICAV may, by resolution of its directors or other governing body, authorise such person as it thinks fit to act as its representative at any meeting of the ICAV or at any meeting of any class of Members of the ICAV, and the person so authorised shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Member of the ICAV and such corporation shall for the purposes of this Instrument of Incorporation be deemed to be present in person at any such meeting if the person so authorised is present thereat.
126. A resolution in writing executed by or on behalf of each Member who would have been entitled to vote upon it if it had been proposed at a meeting at which he was present shall be as effectual as if it had been passed at a general meeting duly convened and held and may consist of several instruments in the like form each executed by or on behalf of one or more Members. In the case of a corporation a resolution in writing may be signed on its behalf by a director or the secretary thereof or by its duly appointed attorney or duly authorised representative.

DIRECTORS

127. (1) Subject to the provisions of the Act and unless otherwise determined by the ICAV by Ordinary Resolution in general meeting, the number of the Directors shall not be less than two. The first Directors shall be the persons named as first Directors in the papers delivered to the Companies Registration Office. A Director (including any alternate Director appointed under Article 131 who is not himself a Director) may only be appointed thereafter if the approval of the Central Bank to such appointment has been obtained provided that such approval is not required for the appointment of an alternate Director for any first Director. The provisions of section 61 of the Act shall apply to such appointments.
- (2) The Directors shall not be required to retire by rotation.
128. Subject to section 69 of the Act, the Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine, which may be subject to adjustment from time to time at the annual general meeting. Such remuneration shall accrue from day to day. The Directors may grant extra remuneration to any Director who is called upon to perform any special or extra services for or at the request of the ICAV. The Directors may be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings of the ICAV or in connection with the business of the ICAV.
129. A Director need not be a Member of the ICAV but shall be entitled to receive notice of and attend all general meetings of the ICAV and all separate general meetings of the holders of any class of shares in the capital of the ICAV.
130. The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, subject to the provisions of the Act and of this Instrument of Incorporation. Any Director so appointed shall hold office only until the next following annual general meeting and shall then be eligible for re-election.
131. Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a meeting of the Directors, appoint any person (including another Director) to be his alternate Director and may in like manner at any time terminate such appointment. Such appointment, unless previously approved by the Directors or unless the appointee is himself a Director (in which latter event no approval shall be required) shall have effect only upon and subject to being approved by the Directors and the Central Bank which approval is not required for an alternate Director for a first Director.

132. The appointment of an alternate Director shall terminate on the happening of any event which if he were a Director would cause him to vacate such office or if his appointor ceases to be a Director.
133. An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions of this Instrument of Incorporation shall apply as if he (instead of his appointor) were a Director. Any Director who is appointed as an alternate Director shall be entitled at a meeting of the Directors to cast a vote on behalf of his appointor in addition to the vote to which he is entitled in his own capacity as a Director of the ICAV, and shall also be considered as two Directors for the purpose of making a quorum of Directors when such quorum shall exceed two. If his appointor is for the time being temporarily unable to act through ill-health or disability his signature to any resolution in writing of the Directors shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committees of the Directors, the foregoing provisions or this paragraph shall also apply mutatis mutandis to any meeting of any such committee of which his appointor is a Member. An alternate Director shall not (save as aforesaid) have power to act as a Director nor shall he be deemed to be a Director for the purposes of this Instrument of Incorporation.
134. An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent mutatis mutandis as if he were a Director but he shall not be entitled to receive from the ICAV in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the ICAV from time to time direct.
135. The office of a Director shall be vacated automatically in any of the following events namely:
- (a) if he resigns his office by notice in writing signed by him and left at the Office;
 - (b) if a declaration is made or deemed to be made in respect of him under Part 14 of the Act;
 - (c) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (d) if he becomes of unsound mind;
 - (e) if he is absent from meetings of the Directors for twelve successive months without leave expressed by a resolution of the Directors, and the Directors resolve that his office be vacated;
 - (f) if he ceases to be a Director by virtue of any provision of the Act, or becomes prohibited from being a Director by reason of, an order made under any provisions of any law or enactment;
 - (g) if he is required in writing by all the other Directors (not being less than two in number) to vacate office; and
 - (h) if he is removed from office by an Ordinary Resolution of the ICAV in general meeting.
136. The ICAV at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director, unless the ICAV shall determine to reduce the number of Directors.

137. At least seven days' previous notice in writing shall be given to the ICAV of the intention of any Member to propose any person for election to the office of Director and such notice shall be accompanied by a declaration in writing signed by the person to be proposed confirming his willingness to be appointed; PROVIDED ALWAYS that if the Members present at a general meeting unanimously consent, the Chairman of such Meeting may waive the said notice and submit to the Meeting the name of any person so nominated (provided such person confirms in writing his willingness to be appointed).
138. At a general meeting a motion for the appointment of two or more persons as Directors or the ICAV by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.

TRANSACTIONS WITH DIRECTORS

139. A Director may hold any other office or place of profit under the ICAV in conjunction with his office of Director on such terms as to tenure of office, and otherwise as the Directors may determine.
- (a) No Director or intending Director shall be disqualified by his office from contracting with the ICAV either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the ICAV or in which the ICAV is interested, in which any Director is in any way interested be liable to be avoided, nor shall any Director so contracting or being so interested be liable to account to the ICAV for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. A Director who is in any way, whether directly or indirectly, interested in such a contract or arrangement or proposed contract or arrangement with the ICAV shall declare the nature of his interest at the meeting of the Directors at which the question of entering into a contract or arrangement is first taken into consideration, if his interest then exists, or in any other case at the first meeting of the Directors after he becomes so interested. A general notice given by a Director to the effect that he is a Member of a specified company, society or firm and is to be regarded as interested in all transactions with such company, society or firm shall be a sufficient declaration of interest under this Article, and after such general notice it shall not be necessary to give any special notice relating to any subsequent transaction with such company or firm, provided that either the notice is given at a meeting of the Directors or the Director giving the notice takes reasonable steps to secure that it is brought up and read at the next meeting of the Directors after it is given.
- (b) Subject to paragraph (a) above, a Director may vote in respect of any contract, appointment or arrangement in which he is interested and he shall be counted in the quorum present at the meeting.
140. Any Director may act by himself or through his firm or corporate entity in a professional capacity for the ICAV, and he or his firm or corporate entity shall be entitled to remuneration for professional services as if he were not a Director.
141. Any Director may continue to be or become a director, managing director, manager or other officer or Member of any company promoted by the ICAV or in which the ICAV may be interested, and no such Director shall be accountable for any remuneration or other benefits received by him as a director, managing director, manager, or other officer or Member of any such other company. The Directors may exercise the voting power conferred by the shares in any other company held or owned by the ICAV or exercisable by them as directors of such other company, in such manner in all respects as they think fit (including the exercise thereof in favour of any resolution appointing themselves or any of them directors, managing directors, managers or other officers of such company, or voting or providing for the payment of remuneration to directors, managing directors, managers or other officers of such company).

POWERS OF DIRECTORS

142. (1) The business of the ICAV shall be managed by the Directors outside the United Kingdom, who may exercise all such powers of the ICAV as are not by the Act or by this Instrument of Incorporation required to be exercised by the ICAV in general meeting including the powers of the ICAV to borrow money, to mortgage or charge its undertaking, property and assets or any part thereof and to issue debentures, debenture stock or other securities, whether outright or as security for debts, subject nevertheless to this Instrument of Incorporation, to the provisions of the Act, and to such directions, being not inconsistent with this Instrument of Incorporation or provisos as may be prescribed by the ICAV in general meeting, but no direction made by the ICAV in general meeting shall invalidate any prior act of the Directors which would have been valid if such direction had already been made. The general powers given by this Article shall not be limited or restricted by any special authority or power given to the Directors by any other Article. The ICAV shall not carry on business in the United Kingdom or have a place of business there.
- (2) The Directors shall at all times procure that the investment policy of the ICAV (and of any Fund in respect of which they may have adopted any investment restrictions pursuant to Article 43) is conducted and implemented in accordance with the UCITS Rules, provided that
- (a) the States, local authorities or public international bodies (of which one or more Member States are Members) issuing or guaranteeing securities in which it intends to invest more than 35% of its net assets, pursuant to the UCITS Rules shall be each Member State (and their respective local authorities), a Member of the OECD, Government of the People's Republic of China, Government of Brazil (provided the issues are of investment grade), Government of India (provided the issues are of investment grade), Government of Singapore or one of the following bodies: European Investment Bank, European Bank for Reconstruction and Development, International Finance Corporation, International Monetary Fund, Euratom, The Asian Development Bank, European Central Bank, Council of Europe, Eurofima, African Development Bank, International Bank for Reconstruction and Development (The World Bank), The Inter American Development Bank, European Union, Federal National Mortgage Association (Fannie Mae), Federal Home Loan Mortgage Corporation (Freddie Mac), Government National Mortgage Association (Ginnie Mae), Student Loan Marketing Association (Sallie Mae), Federal Home Loan Bank, Federal Farm Credit Bank, Tennessee Valley Authority, Straight-A Funding LLC, Export-Import Bank;
 - (b) the ICAV shall employ techniques and instruments relating to transferable securities for efficient portfolio management or as an investment policy in its own right under the conditions and within the limits laid down by the Central Bank; and
 - (c) the ICAV may acquire shares in a company managed by the Manager or by any other company with which the Manager is linked by common management or control, or by a substantial direct or indirect holding, which, in accordance with its Instrument of Incorporation, has specialised in investment in a specific geographical area or economic sector, and provided that no fees or costs are charged by the Manager on account of transactions relating to such acquisition and such investment is authorised by the Central Bank.
- (3) Other than as specifically permitted by the UCITS Rules, the transferable securities in

which the Directors may invest the Funds of the ICAV must be dealt in or quoted on a Recognised Market.

- (4) (a) Without prejudice to the limits specified in the UCITS Rules, the limit in Regulation 70(1)(a) of the Principal Regulations (as may be amended from time to time) is raised to 20% for investments in shares and/or debt securities issued by the same body where the investment policy of the Fund is to replicate an index (the details of which shall be set out in the Prospectus and/or applicable Supplement for that Fund). The index must be recognised by the Central Bank on the basis that it is (i) sufficiently diversified; (ii) represents an adequate benchmark for the market to which it refers; and (iii) is published in an appropriate manner.
- (b) The Central Bank may raise the limit in Regulation 70(1)(a) of the Principal Regulations (as may be amended from time to time) to a maximum of 35% where that proves to be justified by exceptional market conditions in particular in regulated markets where certain transferable securities or money market instruments are highly dominant. The investment up to this limit is only permitted for a single issuer.
- (5) Unless otherwise stated in the Prospectus, the Directors shall ensure that no more than 10% of the assets of each Fund is invested in aggregate in units of other UCITS or other collective investment undertakings.

143. (1) The ICAV (or any Fund) may, subject to a Special Resolution of the Shareholders of the ICAV or relevant Fund, be amalgamated or merged with another collective investment scheme (or sub-fund thereof) (the “**Transferee**”) on such terms, and subject to such conditions, as the Directors may consider appropriate. Without limiting the foregoing, any such scheme of amalgamation or merger may involve all or part of the business of the ICAV or any Fund (including its assets and/or liabilities), or the Shares of the ICAV or any Fund being transferred to the Transferee in consideration for the issue, by the Transferee of shares, assets or equivalent interests in the Transferee to the ICAV (or Fund) or to the relevant Shareholders directly.

- (2) In connection with any such scheme of amalgamation or merger referred to above which the ICAV or a Fund may enter into with a Transferee, the assets of the ICAV or Fund may be passed to a non-Irish trustee or depositary which has been appointed as a trustee or depositary to the Transferee to coincide with the time that the scheme of amalgamation or merger becomes effective.

144. The Directors may from time to time and at any time by power of attorney under the Seal, appoint any company, firm or person or any fluctuating body of persons whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the ICAV for such purposes and with such powers authorities and discretions (not exceeding those vested in or exercisable by the Directors under this Instrument of Incorporation) and for such period and subject to such conditions as they may think fit, and any such power of attorney may contain such provisions for the protection and convenience of persons dealing with any such attorneys as the Directors may think fit, and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him. Notwithstanding the generality of the foregoing, the Directors may appoint an attorney for the purpose of exercising their power to allot relevant securities as more particularly described in Articles 14 and 15 hereof.

145. All cheques, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments, and all receipts for moneys paid to the ICAV shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Directors shall from time to time by resolution determine.

PROCEEDINGS OF DIRECTORS

146. The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit, and, without limitation, may adopt standing orders or other regulations governing matters such as the quorum necessary for the transaction of business, the appointment of a chairman for their meetings, and the appointment and regulation of the business of committees of the directors. The quorum necessary for the transaction of business may be fixed from time to time by the directors and unless so fixed shall be two. No meetings of directors shall be held in the United Kingdom and any decision reached or resolution passed at a meeting in the United Kingdom shall be invalid and of no effect. Questions arising at any meeting shall be determined by a majority of votes. In case of an equality of votes, the Chairman shall have a second or casting vote. A Director may, and the Secretary may, and the Secretary on the requisition of a Director shall, at any time summon a meeting of the Directors.
147. Any director may participate in a meeting of the directors by means of telephone (provided that such telephone call originates in Ireland) or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly.
148. The quorum necessary for the transaction of the business of the Directors may be fixed by the Directors and unless so fixed at any other number shall be two.
149. The continuing Directors or a sole continuing Director may act notwithstanding any vacancies in their number, but if and so long as the number of Directors is reduced below the minimum number fixed by or in accordance with this Instrument of Incorporation, the continuing Directors or Director may act for the purpose of filling up vacancies in their number, or of summoning general meetings of the ICAV, but not for any other purpose. If there are no Directors or Director able or willing to act, then any two Members may summon a general meeting for the purpose of appointing Directors.
150. The Directors may from time to time elect and remove a chairman and, if they think fit, a Deputy Chairman and determine the period for which they respectively are to hold office. The Chairman or, failing him, the Deputy Chairman shall preside at all meetings of the Directors, but if there be no Chairman or Deputy Chairman, or if at any meeting the Chairman or Deputy Chairman be not present within five minutes after the time appointed for holding the same, the Directors present may choose one of their number to be Chairman of the meeting.
151. A resolution in writing signed by all the Directors for the time being entitled to receive a notice of a meeting of the Directors shall be as valid and effectual as a resolution passed at a meeting of the Directors duly convened and held and may consist of several documents in the like form each signed by one or more of the Directors.
152. A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all powers and discretions for the time being exercisable by the Directors.
153. Without prejudice to the powers of delegation conferred by this Instrument of Incorporation, the Directors may delegate any of their powers to committees consisting of such Member or Members of their body as they think fit and, if thought fit, one or more other persons. Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on them by the Directors.
154. The meetings and proceedings of any such committee consisting of two or more Directors shall be governed by the provisions of this Instrument of Incorporation regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations made by the Directors under the last preceding Article.

155. All acts done by any meeting of Directors, or of a committee of Directors or by any person acting in good faith as a Director shall, notwithstanding it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified, or had vacated office, or were not entitled to vote, be as valid as if every such person had been duly appointed, and was qualified and had continued to be a Director and had been entitled to vote.
156. The Directors shall cause minutes to be made of:-
- (a) all appointments of officers made by the Directors;
 - (b) the names of the Directors present at each meeting of the Directors and of any committee of Directors; and
 - (c) all resolutions and proceedings of all meetings of the ICAV and of the Directors and of committees of Directors

Any such minute, if purporting to be signed by the Chairman of the meeting at which the proceedings took place, or by the Chairman of the next succeeding meeting, shall, until the contrary be proved, be conclusive evidence of their proceedings.

157. A register of Directors' shareholdings shall be kept at the Office and shall be open to inspection in accordance with the requirements of the Act. The said register shall also be produced at least one quarter hour before the appointed time for the commencement of each annual general meeting and shall remain open and accessible during the continuance of the meeting to any person attending the meeting.
158. Any Director may participate in a meeting of the Directors by means of telephone or other similar means of communication whereby all persons participating in the meeting can hear each other speak; and participation in a meeting in this manner shall constitute presence in person of such meeting and each participant shall be entitled to vote or be counted in a quorum accordingly. Any such meeting shall be deemed to take place where the majority of the participating Directors are located or, if there is no such group, where the Chairman of the meeting is present and, if neither applies, in such location as the meeting decides.

BORROWING AND OTHER POWERS

159. (1) Subject as hereinafter provided the Directors may exercise all the powers of the ICAV to borrow money on a temporary basis (including the power to borrow for the purpose of redeeming Shares) and charge, to issue debentures, debenture stock or other securities, whether outright or as collateral security for any debt liability or obligation of the ICAV or of any third party, provided that no borrowings shall be made save in accordance with the UCITS Rules and the limits laid down by the Central Bank.
- (2) The ICAV may not grant loans nor act as a guarantor on behalf of third parties save in accordance with the UCITS Rules.
- (3) The ICAV may not carry out sales of transferable securities when such securities are not in its ownership.

MANAGING DIRECTOR

160. (1) The Directors may from time to time appoint one or more of their body to be a Managing Director or Managing Directors of the ICAV and may fix his or their remuneration.
- (2) Every Managing Director shall be liable to be dismissed or removed from his position as Managing Director by the Directors and another person appointed in his place. The

Directors may, however, enter into an agreement with any person who is or is about to become a Managing Director with regard to the length and terms of his employment but so that the remedy of any such person for any breach of such agreement shall be in damages only and he shall have no right or claim to continue in such office contrary to the will of the Directors or of the ICAV in general meeting.

161. A Managing Director shall not, while he continues to hold that office, be liable to retire by rotation (if this Instrument of Incorporation should so provide in the case of Directors generally) and he shall not be taken into account in determining the rotation in which the other Directors shall retire (except for the purpose of fixing the number to retire in each year), but he shall be subject to the same provisions as to removal and disqualification as the other Directors and if he ceases to hold the office of Director from any cause he shall ipso facto cease to be a Managing Director.
162. The Directors may from time to time entrust to and confer upon the Managing Director or Managing Directors all or any of the powers of the Directors (not including the power to borrow money or issue debentures) that they may think fit. But the exercise of all powers by the Managing Director or Managing Directors shall be subject to all such regulations and restrictions as the Directors may from time to time make and impose and the said powers may at any time be withdrawn, revoked or varied.

SECRETARY

163. Subject to the provisions of the Act, the Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they think fit and any secretary so appointed may be removed by them, but without prejudice to any claim for damages for breach of any contract of service between him and the ICAV. If thought fit, two or more persons may be appointed joint secretaries. Anything required or authorised to be done by or to the Secretary, may if the office is vacant or there is for any other reason no Secretary capable of acting, be done by or to any Assistant or Deputy Secretary or if there is no Assistant or Deputy Secretary capable of acting by or to any officer of the ICAV authorised generally or specifically in that behalf by the Directors PROVIDED THAT any provisions of this Instrument of Incorporation requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

THE SEAL

164. The Directors shall provide a common seal for the ICAV and shall have power from time to time to destroy the same and to substitute a new Seal in lieu thereof. The Directors shall provide for the safe custody of the Seal and the Seal shall never be used except by the authority of a resolution of the Directors or of a committee of the Directors authorised by the Directors in that behalf. The Directors may from time to time as they see fit or (subject to the provisions of this Instrument of Incorporation relating to share certificates) determine the person and the number of such persons in whose presence the Seal shall be used, and until otherwise so determined, subject and without prejudice to the Act, the Seal shall be affixed in the presence of two Directors or one Director and the Secretary, or some other person duly authorised by the Directors.
165. The Directors may exercise the powers conferred on the ICAV by the Act with regard to having an official Seal solely for sealing documents creating or evidencing securities of the ICAV.
166. The ICAV may exercise the powers conferred by section 41 of the Act with regard to having an official Seal for use abroad, and such powers shall be vested in the Directors.

DIVIDENDS

167. (a) The ICAV in general meeting may declare dividends on the Participating Shares of each Fund but no dividend shall exceed the amount recommended by the Directors in respect of each Fund respectively. The Directors may differentiate between the different Funds, as to the amount (if any) of any dividend recommended in respect of each Fund. Furthermore, in accordance with Article 35, where the Directors have created different types of Participating Shares within each Fund, they may differentiate between the different types as to the amount (if any) of any dividend recommended in respect of each Fund. Details of such dividend policies in respect of any Fund or type of Participating Shares within a Fund will be set out in the Prospectus and/or applicable Supplement for that Fund. The Directors may from time to time if they think fit pay such interim dividends on Participating Shares of any Fund as appear to the Directors to be justified, and may specify a fixed date or dates of payment of dividend for a particular Fund or Funds (or types within such Fund(s)).
- (b) The dividend for any particular class of Participating Shares shall be payable only out of the profits available for distribution out of the Fund relating to that class of Participating Shares, which profits shall consist of (i) the net income (less expenditure) attributable to such Fund and standing to the credit of a revenue account of the relevant Fund; or (ii) the net income (less expenditure) and unrealised and realised gains (less unrealised and realised losses) attributable to such Fund and standing to the credit of a revenue account of the relevant Fund. For this purpose income shall include, without limitation, interest income and dividend income and realised gains or losses arising on the disposal of Investments. In addition, expenditure shall not be deemed to include any performance fee payable to the Manager in connection with the performance of the ICAV. The method to be adopted by a particular Fund will be disclosed in the Prospectus. Where net realised and unrealised gains are not distributed as dividends, they shall form part of the assets of that Fund.
168. The Directors may, with the sanction of a resolution in general meeting of the holders of Participating Shares of any Fund, distribute in kind among the Shareholders of that Fund by way of dividend or otherwise any of the assets of the relevant Fund provided that no distribution shall be made which would amount to a reduction of capital except in a manner allowed by law.
169. All Participating Shares shall unless otherwise determined by the Directors or by the terms of issue thereof rank for dividend as from the beginning of the accounting period in which they are issued.
170. Any resolution of the Directors declaring a dividend on the Participating Shares of any Fund and any resolution of the Directors for the payment of a fixed dividend on the date prescribed for the payment thereof may specify that the same shall be payable to the persons registered as the holders of Participating Shares of the Fund concerned at the Close of Business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed (or, as the case may be, that prescribed for payment of a fixed dividend), and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of Participating Shares of the relevant Fund.
171. The ICAV may transmit any dividend or other amount payable in respect of any Participating Share by electronic transfer to the account of the holder, or, in the case of joint holders, to the account of one of them to such person and address as the holder or joint holders may direct, and shall not be responsible for any loss arising in respect of such transmission.
172. No dividend or other amount payable to any Shareholder shall bear interest against the ICAV. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the ICAV until claimed. Payment by the ICAV of any unclaimed dividend or other amount payable in respect of a Participating Share into a separate account shall not constitute the ICAV a trustee in respect thereof. Any dividend

unclaimed after six years from the date when it first became payable shall be forfeited to the relevant Fund automatically, without the necessity for any declaration or other action by the ICAV.

173. The Directors (or their agents) may:
- (a) deduct from any dividend payment (or other distribution) to a holder of Participating Shares all sums necessary; or
 - (b) compulsorily repurchase or redeem from a holder of Participating Shares' holding of Participating Shares, Participating Shares of such value as is necessary,
 - (c) to offset any liability to taxation or withholding tax arising as a result of the dividend payment to the relevant holder of Participating Shares.

FINANCIAL STATEMENTS

174. The Directors shall cause to be kept proper books of account as are necessary in relation to the conduct of the ICAVs' business within the meaning of section 110 of the Act with respect to:-
- a) all sums of money received and expended by the ICAV and the matters in respect of which such receipt and expenditure take place;
 - b) all sales and purchases of the ICAV;
 - c) the assets and liabilities of the ICAV; and
 - d) all such other matters as may for the time being be specified by the Act or by the Central Bank pursuant to paragraph 126 of the Principal Regulations.
175. The books of account shall be kept at the Office or at such other place as the Directors think fit, and shall always be open to inspection by the Directors. No member (other than a Director) shall have any right of inspecting any account or book or document of the ICAV except as conferred by the Act or authorised by the Directors or by the ICAV in general meeting.
176. The Directors shall from time to time, in accordance with the provisions of the Act and paragraph 88 of the Principal Regulations, cause to be prepared and to be laid before the ICAV in general meeting such profit and loss accounts, balance sheets, group accounts (if any) and reports as are specified in the Act made up to the Accounting Date in each year or such other date as the Directors may from time to time decide.
177. A printed copy of the Directors' Report accompanied by the balance sheet (including every document required by law to be annexed thereto) and profit and loss account shall not less than twenty-one days previous to any Annual General Meeting be delivered or sent by post to the registered address of every member of the ICAV and to the Auditors provided that this Clause shall not require a copy of these documents to be sent to more than one of the joint holders of any Shares. Copies of such Reports and accounts shall be made available by the ICAV upon request to any holder of a share warrant or a member of the public. Such documents shall include all information required to be specified therein by the Act and by paragraph 89 of the Principal Regulations.
178. The ICAV shall prepare an un-audited half yearly report for the first six months of each financial year. Such report shall be in a form approved by the Central Bank and shall contain the information required under the Act and the UCITS Regulations.
179. Notwithstanding Article 178 or any other requirement of this Instrument, separate accounts may be prepared and presented in respect of a Fund or Funds and all references to the ICAV be read as, where appropriate, referring to the Fund or Funds in respect of which the separate accounts are to be prepared.

180. Copies of the half yearly report shall be sent to the Shareholders not later than two months from the end of the period to which it relates.
181. The ICAV shall provide the Central Bank with all reports and information to which it is entitled under the Act and the UCITS Regulations.

CAPITALISATION OF PROFITS

182. The ICAV in general meeting may upon the recommendation of the Directors resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the ICAV's reserve accounts (including capital reserve) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividends on any Shares with a preferential right to dividend amongst the Members who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued Shares of the ICAV to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in the one way and partly in the other, and the Directors shall give effect to such resolution.
183. Whenever such a resolution as aforesaid shall have been passed, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid Shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provision as they shall think fit for the case of Shares or debentures becoming distributable in fractions (and in particular, without prejudice to the generality of the foregoing, to sell the Shares or debentures represented by such fractions and distribute the net proceeds of such sale amongst the Members otherwise entitled to such fractions in due proportions) and also to authorise any person to enter on behalf of all the members concerned into an agreement with the ICAV providing for the allotment to them respectively credited as fully paid up of any further Shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing Shares and any agreement made under such authority shall be effective and binding on all such Members.

AUDIT

184. Auditors shall be appointed and their duties regulated in accordance with the Act and the UCITS Rules.

189. Notices to be posted to addresses outside Ireland and the United Kingdom shall so far as practicable be forwarded by prepaid airmail.
190. Any Member present, in person or by proxy, at any meeting of the ICAV shall for all purposes be deemed to have received due notice of such meeting and, where requisite, of the purposes for which such meeting was convened.
191. Any summons, notice, order or other document required to be sent to or served upon the ICAV, or upon any officer of the ICAV may be sent or served by leaving the same or sending it through the post in a prepaid letter envelope or wrapper, addressed to the ICAV or to such officer at the Office.
192. The signature to any notice or other document to be given by the ICAV may be written or printed.
193. Notices may be given by advertisement and a notice so given shall be published in at least one leading international newspaper and one daily newspaper in Dublin and shall be deemed to have been served at noon on the day on which the advertisement appears.

PUBLICATION ON WEBSITE

194. A notification to a Member of the publication of a notice on a website pursuant to this Instrument of Incorporation shall state:
- (a) the fact of the publication of the notice on a website;
 - (b) the address of that website and, where necessary, the place on that website where the notice may be accessed and how it may be accessed; and

- (c) in the case of a notice of a general meeting of Members or class of Members:
 - (i) that it concerns a notice of a meeting served in accordance with this Instrument of Incorporation or by order of a court, as the case may be;
 - (ii) the place, date and time of the meeting;
 - (iii) whether the meeting is to be an annual general meeting or an extraordinary general meeting; and
 - (iv) the address of any other website (if such is the case) where procedures as to voting are stated or facilitated.
195. The notice shall be published on that website, in the case of a notice of meeting, throughout the period beginning with the giving of that notification and ending with the conclusion of the meeting, and in any other case for a period of not less than one month from the giving of the notification.
196. This Article shall be treated as being complied with, and, in the case of a meeting, nothing in Articles 194 and 195 above shall invalidate the proceedings of a meeting where:
- (a) any notice that is required to be published as mentioned in Article 194 is published for a part, but not all, of the period mentioned in that Article; and
 - (b) the failure to publish that notice throughout that period is attributable to circumstances which it would not be reasonable to have expected the ICAV to prevent or avoid, such as system, telecommunications or power outages.

WINDING UP

197. The provisions of Part 11 of the Companies Act 2014, and the other provisions of the Companies Act 2014 relating to the winding up of companies (including, in particular, provisions about summary approval procedure) apply, subject to the necessary modifications and the specific modifications specified in the Act, in relation to an ICAV as if it were an investment company.
198. Subject and without prejudice to Article 197, if the ICAV shall be wound up, its winding up shall be conducted by one or more liquidators appointed under Irish law. The liquidator shall apply the assets of the ICAV in such manner and order as he thinks fit in satisfaction of creditors' claims. Any dividends which are payable pursuant to Article 167 shall be paid to the relevant Shareholders prior to the commencement of the winding up of the ICAV.
199. Following deduction of the estimated expenses of the liquidation, the assets available for distribution among the Members shall then be applied in the following priority:
- (a) First, in the payment to the holders of the Participating Shares of each Fund of a sum in the currency in which that Fund is designated (or in any other currency selected by the liquidator) as nearly as possible equal (at a rate of exchange determined by the liquidator) to the Net Asset Value of the Participating Shares of such Fund held by such holders respectively as at the date of commencement to wind up provided that there are sufficient assets available in the relevant Fund to enable such payments to be made. In the event that, as regards any Fund, there are insufficient assets available in the relevant Fund to enable such payment to be made recourse shall be had to the assets of the ICAV not comprised within any of the Funds.
 - (b) Secondly, in the payment to the holders of the Management Shares of sums up to the amount paid thereon out of the assets of the ICAV not comprised within any of the Funds remaining after any recourse thereto under paragraph 199(a) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Funds.

- (c) Thirdly, in the payment to the holders of each class of Participating Shares of any balance then remaining in the relevant Fund, such payment being made in proportion to the number of Shares of that Fund held.
 - (d) Fourthly, in the payment to the holders of the Participating Shares of any balance then remaining and not comprised within any of the Funds, such payment being made in proportion to the number of Participating Shares held.
200. If the ICAV shall be wound up (whether the liquidation is voluntary, under supervision or by the court) the liquidator may, with the authority of a Special Resolution and any other sanction required by the Act, divide among the Members in specie the whole or any part of the assets of the ICAV, and whether or not the assets shall consist of property of a single kind and may for such purposes set such value as he deems fair upon any one or more class or classes of property, and may determine how such division shall be carried out as between the Members. The liquidator may, with the like authority, vest any part of the assets in trustees on such trusts for the benefit of Members as the liquidator, with the like authority, shall think fit, and the liquidation of the ICAV may be closed and the ICAV dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is any liability. For the avoidance of doubt, if the Special Resolution above is passed, each Member is entitled to elect on winding-up whether or not he wishes to receive a distribution in specie or a cash distribution made in accordance with the provisions of Article 199. However, in the absence of a Member electing to receive a distribution in specie on winding-up, such Member shall receive a cash distribution payment in accordance with the provisions of Article 199. Where the ICAV agrees to sell the assets, if requested by a Shareholder, the cost of such sale can be charged to the redeeming Shareholder.

INDEMNITY

201. Subject to the provisions of and insofar as may be permitted by the Act, every Director, Secretary and other officer or servant of the ICAV shall be indemnified by the ICAV against, and it shall be the duty of the Directors out of the funds of the ICAV to pay all costs, losses and expenses which any such officer or servant may incur or become liable to by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in discharge of his duties, including travelling expenses, and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the ICAV and have priority as between the Members over all other claims.
202. The Depositary and the Manager shall be entitled to such indemnity from the ICAV under such terms and subject to such conditions and exceptions and with such entitlement to have recourse to the assets of the ICAV with a view to meeting and discharging the cost thereof as shall be provided under the Depositary Agreement and the Management Agreement.

RESERVES

203. The Directors may before declaring any dividends set aside out of the profits of the ICAV and carry to the credit of any reserve account such sums as they think proper, which shall, at the discretion of the Directors, be applicable for any purpose to which the profits or reserves may be properly applied and pending such application may at the like discretion either be employed in the business of the ICAV or be invested in such Investments as the Directors may from time to time think fit. The Directors may also carry forward to the accounts of the succeeding year or years any balance of profits which they shall think fit neither to divide nor to place to reserve.

DEALINGS BY THE MANAGER ETC.

204. Any person being the Manager, the Administrator, the Depositary and any associate of the Manager, the Administrator or the Depositary may:

- (a) become the owner of Participating Shares in the ICAV and hold, dispose or otherwise deal with Participating Shares as if that person were not such a person; or
- (b) deal in property of any description on that person's individual account notwithstanding the fact that property of that description is included in the property of the ICAV; or
- (c) act as agent or principal in the sale or purchase of property to or from the Depositary for the account of the ICAV without that person's having to account to any other such person, to the Members or to any of them for any profits or benefits made by or derived from or in connection with any such transaction provided that such transactions are carried out as if effected on normal commercial terms negotiated at arm's length, are in the best interests of the Shareholders; and
 - (i) a certified valuation of such transaction by a person approved by the Depositary as independent and competent has been obtained; or
 - (ii) such transaction has been executed on best terms on an organised investment exchange under its rules; or
 - (iii) where (i) and (ii) are not practical, such transaction has been executed on terms which the Depositary is satisfied conform with the principle that such transactions be carried out as if effected on normal commercial terms negotiated at arm's length.

RESTRICTION ON MODIFICATIONS TO INSTRUMENT OF INCORPORATION

205. No modification shall be made to the Instrument of Incorporation of the ICAV which would result in the ICAV ceasing to be authorised under the Act. No alteration to the Instrument of Incorporation and no change in the name of the ICAV shall be made without obtaining the prior approval of the Central Bank. No alteration to the Instrument of Incorporation shall be made unless:
- a) the alteration has been approved by ordinary resolution; or
 - b) the Depositary has certified in writing that the amendment does not:
 - i. prejudice the interests of the Members; and
 - ii. relate to any such matter as may be specified by the Central Bank as one in the case of which an alteration may be made only if approved by the Members.
206. In accordance with the Act, a change in the name of the ICAV does not constitute an alteration to the Instrument of Incorporation.

DESTRUCTION OF DOCUMENTS

207. The ICAV shall be entitled to destroy all instruments of transfer of Shares which have been registered at any time after the expiration of six years from the date of registration thereof and all dividend mandates and notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of one year from the date of cancellation thereof and it shall conclusively be presumed in favour of the ICAV that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other documents so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned in accordance with the recorded particulars thereof in the books or records of the ICAV. PROVIDED ALWAYS that:
- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;

- (b) nothing herein contained shall be construed as imposing upon the ICAV any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the ICAV in the absence of this Article; and
- (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TOTAL REPURCHASE

208. The ICAV may, by not less than four, nor more than twelve weeks' notice to all Members, repurchase at the Net Asset Value per Participating Share on such Dealing Day, all (but not some) of the Participating Shares in issue for any class of Participating Share or all classes of Participating Shares on such date in the following instances:-
- (a) if the ICAV or any Fund is no longer an authorised UCITS;
 - (b) if any law is passed which renders it illegal or, in the reasonable opinion of the Directors it is impracticable or inadvisable, to continue the ICAV or any Fund;
 - (c) if within a period of 90 days from the date on which the Depositary notifies the ICAV of its desire to retire in accordance with the terms of the Depositary Agreement, or from the date on which the appointment of the Depositary is terminated by the ICAV in accordance with the terms of the Depositary Agreement, or from the date on which the Depositary ceases to be qualified under Article 8 hereof, no new Depositary shall have been appointed provided that such repurchase does not result in the issued share capital being reduced to below the minimum amount permitted under the Act;

OVERRIDING PROVISIONS

209. The ICAV's business will be conducted in accordance with the Act. In the event of there being any conflict between the provisions of this Instrument of Incorporation and the Act, the Act shall prevail. The approval of the Central Bank shall be required to any amendment to this Instrument of Incorporation.
